Proposed sign plan for 34 Ravenna Street

In accordance with the Architectural Design Standards, the intent of future signage will be to incorporate the following:

1. Signs will be constructed of aluminum or ¾" thick MDO (medium density overlay) plywood or other weather proof material.

2. Signs will be various shapes. (see attachment)

3. Signs may contain a border of either a painted stripe or applied trim.

4. Graphics may be individually applied letters of various materials, vinyl lettering, hand painted lettering, or carved recessed lettering.
