PREAMBLE

This Agreement is hereby entered into by and between the CITY OF HUDSON (hereinafter referred to as "the Employer") and the OHIO PATROLMEN'S BENEVOLENT ASSOCIATION (hereinafter referred to as "the OPBA" or "the Union").

ARTICLE 2

PURPOSE AND INTENT

In an effort to continue harmonious and cooperative relationships with its employees and to insure its orderly and uninterrupted efficient operations, the Employer now desires to enter into an agreement reached through collective bargaining which will have for its purposes, among others, the following:

(A) To recognize the legitimate interests of the employees of the Employer to participate through collective bargaining in the determination of the terms and conditions of their employment;

(B) To promote fair and reasonable working conditions which will be uniformly applied to all bargaining unit employees;

(C) To promote individual efficiency and service to the Employer;

(D) To avoid interruption or interference with the efficient operation of the Employer's business; and

(E) To provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

ARTICLE 3

RECOGNITION

Section 3.1 The Employer recognizes the OPBA as the sole and exclusive collective bargaining representative of all employees in the following unit:

All ***FULL-TIME DISPATCHERS***, excluding all other positions, including but not limited to: part-time Public Safety Dispatchers, any person employed in the capacity of the Chief of Police, and those individuals who, in the absence of the Chief, are authorized to exercise the authority and perform the duties of the Chief of the Department, Deputy Chief of Police, all Police Sergeants and above, all ***Patrol Officers***, animal wardens, clericals, utility employees, janitors, telephone operators, seasonal and temporary employees, professionals as defined by Ohio Senate Bill 133 and all other full-time and part-time employees. (***Case No. 2014-REP-02-0018***).

Section 3.2 The Employer will not recognize any other Union, organization, or person as the representative for any of the bargaining unit members. The Employer shall notify the OPBA of any changes within the bargaining unit thirty (30) days prior to the effective date of the change.

Section 3.3 Resolution of Classification Dispute In the event of a dispute between the parties as to future inclusion or exclusion from the bargaining unit resulting from the establishment of new or changed classifications or titles, either party to this Agreement may apply to the State Employment Relations Board for resolution of the dispute.

Section 3.4 Newly hired probationary employees shall not be eligible to file a grievance under this Agreement for any disciplinary, layoff or discharge action taken by the City during their probationary period.

ARTICLE 4

NON-DISCRIMINATION

Section 4.1 Both the Employer and the OPBA recognize their respective responsibilities under the Federal and State Civil Rights laws, or employment practice acts, and other similar constitutional statutory requirements. Therefore, both the Employer and the OPBA hereby reaffirm their legal commitment not to discriminate in any manner relating to employment on the basis of race, color, creed, national origin, sex, age or handicap.

Section 4.2 The Employer recognizes the rights of all employees covered by this Agreement to be free to join the OPBA. The Employer agrees that there shall be no discrimination, interference, restraint, coercion, or reprisal by the Employer against any employee or any applicant for employment because of OPBA membership.

Section 4.3 All references to employees in this Agreement shall designate both sexes.

ARTICLE 5

OPBA SECURITY

Section 5.1 Upon receipt of a signed voluntary authorization by an employee, the Employer agrees to deduct from the wages and salaries of the bargaining unit members' dues required by the OPBA by payroll deduction.

Section 5.2 Dues shall be paid by the Employer once each month to the OPBA at such address as set by the OPBA.

Section 5.3 The Employer's obligation to make deductions shall terminate automatically upon termination of employment, transfer to a job classification outside the bargaining unit, or if

an employee rescinds voluntary authorization to deduct dues in accordance with the OPBA's check-off card.

Section 5.4 Indemnification The Union shall indemnify and hold the Employer harmless against any and all claims, demands, suits or other forms of liability, including attorneys' fees, that arise out of or by reason of action taken or not taken by the Employer under this Article and/or in reliance upon signed authorization furnished to the Employer by the Union or an employee.

ARTICLE 6

MANAGEMENT RIGHTS

Section 6.1 The Union recognizes the City as the body of authority solely vested with the right to run the City. It shall have the right to take any action it considers necessary and proper to effectuate any management policy, expressed or implied, except as expressly limited under this Agreement. Further, the City has no duty to bargain over its decisions which are permitted under this Article.

Section 6.2 Except as limited under this Agreement, the City's management rights include, but are not limited to, the right to:

(A) Determine matters of inherent managerial policy which include, but are not limited to, the number of and location of facilities, areas of discretion or policy such as the functions and programs of the City, standards of service, its overall budget, utilization of technology, and organizational structure;

(B) Direct, supervise, evaluate or hire members and to determine when and under what circumstances a vacancy exists;

(C) Maintain and improve the efficiency and effectiveness of governmental operations, including but not limited to the unilateral right to decide to subcontract or privatize its safety

dispatch operation, provided however, that if the City makes this decision it will bargain over the effects the subcontracting and/or privatization may have on members of the bargaining unit;

(D) Determine the overall methods, process, means, or personnel by which governmental operations are to be conducted;

(E) Suspend, discipline, demote or discharge for just cause, lay off, transfer, assign, schedule, promote, or retain members;

(F) Determine the adequacy of the work force;

(G) Determine the overall mission of the City as a unit of government;

(H) Require members to use or refrain from using specified uniforms or other tools of duty;

(I) Effectively and efficiently manage the work force; and

(J) Take actions to carry out and implement the mission of the City as a unit of government. The City reserves the right to implement new or revised existing policies which do not conflict with the express terms of this Agreement.

Section 6.3 Notwithstanding Section 4117.08 of the Ohio Revised Code, the City is not required to bargain on any subjects, including, but not limited to, those enumerated above, reserved to and retained by the City under this Article. Therefore, the Union agrees that, during the life of this Agreement, it expressly waives the right to bargain collectively regarding any matters reserved to and retained by it pursuant to either Section 4117.08(C) of the Revised Code or pursuant to this Article of this Agreement. Further, the City shall have no obligation to bargain collectively with respect to the exercise of any rights reserved to and retained by it pursuant to either Section 4117 et seq. of the Revised Code or pursuant to this Article of the Agreement.

ARTICLE 7

HOURS OF WORK AND OVERTIME

Section 7.1 The workday is eight (8) hours, and the work year is 2080 hours. The work week for bargaining unit members will be five (5) consecutive eight (8) hour work days with two (2) consecutive days off. Provided, however, the parties may mutually agree to another schedule of hours of work as noted below.

Section 7.2 The Employer shall be the sole judge of the necessity for overtime, and all assigned overtime must be worked. (At present, the Dispatch Supervisor is a police lieutenant; if that would change, in that a supervisor were to be appointed after an appropriate testing and interview process from the full-time dispatcher work unit, then the Dispatch Supervisor would have the right and discretion to not fill part or all of the overtime opportunity; and/or to work part or all of that overtime opportunity himself or herself via schedule adjustment which would not be at overtime; and/or to adjust a bargaining unit member's schedule by mutual agreement. This parenthesized addition is not meant to be all encompassing, but would allow this section to be modified in a mutually acceptable manner by the dispatch unit and the Employer.)

(A) When the Dispatch Supervisor or his designee determines to fill overtime opportunities, such overtime opportunities shall be filled according to the following process:

(1) First, the overtime opportunity shall be offered to the bargaining unit members via a page or text message according to seniority on a rotational basis, then to part-time dispatchers by seniority on a rotational basis. The dispatcher on duty, the Dispatch Supervisor, or his designate, shall offer the overtime to the most senior employee. If the most senior employee accepts or rejects the overtime, that employee's name will be moved to the bottom of the voluntary

overtime list and the next most senior employee will be eligible. If off duty, an employee must respond to the page or text within an hour of the page or text. The next overtime opportunity will commence with the bargaining unit members by seniority off the voluntary overtime list where the acceptance was made. If the overtime shift is split between two bargaining unit members, or a bargaining unit member and a part-time dispatcher, the next overtime opportunity will commence with the bargaining unit members by seniority off the voluntary overtime list where the last acceptance was made.

(2) Second, if no bargaining unit member or part-time dispatcher desires to fill the voluntary overtime opportunity, the least senior full-time dispatcher on an adjacent shift shall be required to work the overtime. A part-time dispatcher will be required to remain on duty and/or come in early for shift coverage if he/she is scheduled to work a shift adjacent to the overtime need when he/she is the only dispatch employee scheduled to work during one of the adjacent shifts. If a part-time dispatcher is scheduled to work with a bargaining unit members on a shift adjacent to the overtime need, the bargaining unit member is to be considered as the least senior employee, and will be required to remain on duty and/or come in early for shift coverage of the overtime need. In any event if an overtime opportunity is required pursuant to Section 7.2(A)(2), the overtime shift can be split so that a dispatcher from the shift preceding the overtime shift can cover four (4) hours and a dispatcher from the shift following the overtime shift can cover the remaining four (4) hours of the overtime shift.

(3) Third, if the procedures in subparagraphs (1) and (2) of paragraph (A) of this Section 7.2 are exhausted without filling the overtime opportunity, the least senior dispatcher on duty, as defined in subparagraph (2) of paragraph (A) of this Section 7.2, shall remain on duty until relieved by another dispatcher.

(B) Should a situation arise where a full-time dispatcher is working alone and has to leave the dispatch center as a result of an emergency arising during the time of his/her shift, the procedures in subparagraphs (1) through (3) of paragraph (A) of this Section 7.2 may be deferred. The dispatcher will notify the Dispatch Supervisor or the patrol OIC if the Dispatch Supervisor is not on duty. The emergency shift coverage shall be filled by management until a dispatcher can be reached in a manner that most quickly effectuates the shift fill.

Section 7.3

(A) Regular or base pay contemplates 2,080 schedule work hours per year (which may be scheduled in any way pursuant to the Fair Labor Standards Act (FLSA), if applicable, and which will, at the end of the year, equal 2,080 scheduled work hours duty the year without regularly scheduled overtime) consisting of shifts of eight (8) hours each, as set forth in an assignment list published under the direction of the Chief or as otherwise provided in Section 1 above.

(B) Base pay shall include other pays contemplated pursuant to FLSA unless such other pay is de minimis as contemplated under FLSA. No employee shall be entitled to overtime compensation for these regularly assigned shifts.

(C) An employee shall not be entitled to overtime compensation if he voluntarily works an additional shift as a favor to another police employee to be repaid by the other employee in terms of extra duty at a later date. Shift trades must be repaid in the same pay period as worked.

Section 7.4

(A) When an employee is required to work more than eight (8) hours on a shift or works overtime on a shift not originally assigned to him on the monthly schedule, he shall receive overtime. Sick leave will not be counted as hours worked for purposes of overtime.

(B) Overtime shall be defined as compensation or compensatory time, and shall be calculated at the rate of time and one-half an employee's regular base rate divided by 2,080 hours.

(C) Overtime adjustments attributable to longevity or special assignment: pay shall be paid pursuant to the FLSA, if applicable. Such adjustments shall be paid in a lump sum on the employee's anniversary date.

(D) Overtime premium rate shall not be pyramided, compounded, added together or paid twice for the same time worked.

Section 7.5 Provided that regardless of the above Sections of this Article, the City may implement a new work schedule after meeting with the Union and giving 30 days' notice of such proposed change. This Section does not apply to schedule changes made for training purposes or to voluntary schedule changes.

Section 7.6 Except as set forth in Sections 10 (B), 10 (C) and 11 (B) below, an employee shall receive all overtime in either compensation or compensatory time at the time the overtime is worked. An employee may accumulate compensatory time up to ninety-six (96) hours, at which point all overtime shall be paid as earned. When compensatory time is paid, it shall be calculated from the employee's base rate at the time it is paid, not earned.

Section 7.7 Call-in Pay Subject to the provisions of Section 7.4 (A), employees called into work for time not annexed consecutively to one end or the other of the scheduled workday shall receive four (4) hours of overtime.

Section 7.8 Training

(A) For purposes of this Article, all mandatory training (such training as directed by the Chief), including travel time for distances in excess of thirty (30) miles in each direction, shall be considered time worked.

(B) For purposes of this Article, all voluntary training and off-premises classroom education, including related field work, which has been approved by the Chief of Police or his designee, shall be paid in compensatory time only at the base rate, unless an employee has accumulated ninety-six (96) hours of compensatory time, at which time said time shall be paid in compensation at the base rate.

(C) This section does not apply to courses taken under the tuition reimbursement program.

Section 7.9 Court Time

(A) Police employees, when required to appear in Court at a time when the beginning and end of the appearance is wholly during off duty hours, shall be paid a minimum of four (4) hours of overtime. In the event that an employee is required to report to duty earlier than normally scheduled in order to appear in Court, following which he commences his normal shift of duty, or is required to remain on duty after his normal shift of duty, or is required to remain on duty after his normal quitting time to complete a Court appearance which begins while on duty, he shall be treated as being on overtime during those extra hours, instead of the foregoing minimums. No person shall be entitled to payment under this Section unless required to appear in Court by a directive of a superior or by a directive of the Department of Law, or by subpoena legally issued and served in a case in which the City is a party to the action, either directly or as the arresting entity in a criminal action prosecuted in the name of the State of Ohio. Employees who appear at

Court must have a subpoena signed by a proper Court official in order to receive the compensation. Such subpoena shall be submitted along with a written request to the Chief for Court time payment.

(B) Employees who are required to be on standby for Court shall be entitled to compensatory time only, at the base rate, for all hours on standby, with a minimum of one (1) hour, unless the employee has accumulated ninety-six (96) hours of compensatory time, at which time standby shall be paid in compensation at the base rate. However, if the midnight shift ends before 8:00 a.m., employees who worked the midnight shift will receive up to two (2) hours for standby so that the shift will be continuous.

(C) Employees who are required to use their personal vehicle to travel to and from Court shall receive mileage at the current rate provided for by the I.R.S. (254.06).

Section 7.10 Shift Differential Eligibility

(A) To be eligible for night shift differential, an employee must be either: (1) regularly assigned to a shift that starts at 12:00 a.m. through the formal bidding process; or (2) work four (4) or more consecutive hours between the hours of 12:00 a.m. and 8:00 a.m. The night shift differential shall be one dollar and ten cents (\$1.10) per hour for employees eligible for the night shift differential as identified in this Section. Shift differential will only apply to hours worked.

(B) To be eligible for afternoon shift differential, an employee must be either: (1) regularly assigned to a shift that starts at 4:00 p.m. through the formal bidding process; or (2) work four (4) or more consecutive hours between the hours of 4:00 p.m. and 12:00 a.m. The afternoon shift differential shall be eighty five cents (\$.85) per hour for employees eligible for afternoon shift differential as identified in this Section. Shift differential will only apply to hours worked.

Off time, holidays and vacations must be approved by the Chief of Police or his designee. No police employee shall be entitled to time off on a state or federal designated holiday (as listed in Section 9.2) unless regularly scheduled to be off or if the day off is requested and approved by the Police Chief, providing the request is submitted no later than forty-eight (48) hours before the commencement of the holiday (except in cases of emergency as determined by the Chief of Police or his designee).

Each shift member shall individually be permitted an opportunity to review the vacation schedule for up to seven days as authorized by the Dispatch Supervisor and request two (2) one (1) week block requests for annual leave or one (1) two (2) week block of annual leave.

(I) No more than two (2) weeks of vacation shall normally be granted at one time. Exceptions may be made by the Chief of Police, provided the extra time does not prohibit another employee from receiving their requested leave.

(K) All other annual leave requests will be granted by seniority on a shift where two bargaining unit members are regularly scheduled, up to April 1st, then on a first come, first serve basis. Any additional requests will be granted when covered by part-time dispatcher availability and/or voluntary overtime.

(L) The Chief of Police shall be the final determining authority in all matters pertaining to this policy.

Section 10.3 Holiday Occurrence When a holiday occurs on an employee's annual leave day, the employee shall not receive holiday pay, nor shall he be charged an annual leave day. He shall, however, receive his regular, straight-time pay for that day.

Throughout the term of this Agreement, the City shall provide the same health insurance policies and level of benefits for the bargaining unit that are in place for non-bargaining unit employees, including management employees.

Employees shall pay 15% of all premiums for all health care insurances offered by the City (including medical/hospitalization, prescription, dental and vision). Moreover, any contributions shall not exceed those required of the City's non-union employees.

(B) Employees, at their option, may elect not to participate in the City-offered health care plans. Employees who elect to opt out of the City plans shall be compensated at the rate of fifty percent (50%) of the applicable monthly premium (and premium equivalent in the case of self-insured portions of the City's health care plan) for such election. Employees who elect to opt out of City health coverage shall, however, be eligible to opt back in either 1) during the City's annual open enrollment period for health insurance, or 2) at the beginning or end of any month, if the employee's spouse has lost health insurance coverage.

Section 11.2 The City reserves the right to change carriers or delivery methods for health care, dental or vision insurance and to modify levels of health insurance benefits, provided that the carriers, delivery methods and benefit levels provided to bargaining unit members shall be the same as those provided for non-bargaining unit members, including management employees. In any event, the City shall notify the bargaining unit as soon as practicable if the City determines that a reduction in benefit levels or a reduction in the City's funding of the employees' HRA account may be necessary, and the City shall consult with the bargaining unit prior to effecting any change in health care benefit levels. In addition, the bargaining unit shall be included in any voting process pursuant to which the vote of a majority of City employees would determine what health care plan City staff would recommend to City Council.

ARTICLE 12

LEAVES OF ABSENCE

Section 12.1 Sick Leave

(A) Accrual of Sick Leave All bargaining unit employees are eligible to and shall accrue sick leave hours during each calendar month in which they are employed by the City. Sick leave time shall accrue at the rate of ten (10) hours for each full calendar month of service. An employee who enters the service of the City on or before the fifteenth day of any month shall be credited with sick leave time for the entire calendar month in which he/she begins employment.

An employee who enters the employ of the City after the fifteenth day of a month shall be credited with sick leave time for one-half (1/2) of the month in which he/she begins employment with the City.

Maximum Accrual: Conversion to Vacation or Payment Unused sick leave time shall accumulate for the benefit of any bargaining unit employee up to a maximum of 180 days or 1,440 hours.

Employees who have accumulated the maximum of 1,440 hours of unused sick leave time will continue to accrue sick leave, but such employees must elect, in writing each year, once their total accrual reaches 1,480 hours, one of the following options for disposition of sick leave time in excess of 1,440 hours:

(1) Conversion to vacation time at the exchange rate of forty (40) hours of sick leave for eight (8) hours of vacation time, provided that an employee who has converted sick leave time to vacation time may reconvert that time (and only the previously converted time) to sick leave to the extent that the employee has sufficient vacation time to convert back to sick leave time; or

(2) Payment, at the employee's effective pay rate, for the hours of accumulated unused sick leave in excess of 1,440 hours, provided that if an employee selects this option, the employee is only eligible to receive this payment once in any calendar year, and provided further that an employee who selects this option will cease to accrue sick leave for the calendar year in which such payment is made until the aggregate total of the employee's sick leave balance falls below 1,440 hours.

(B) Authorized Uses of Sick Leave Subject to the terms and limitations of this Section, sick leave with pay may be used by bargaining unit employees for the following reasons:

(1) an employee's personal illness or physical incapacity;

(2) the illness or physical incapacity of a member of the employee's

household or immediate family that requires the presence of the employee;

(3) medical or dental appointments or essential preventive medical procedures that cannot be scheduled during non-working hours;

(4) the quarantine of the employee due to his own or a member of the employee's household's medical condition;

(5) the birth, adoption, or initial placement for foster care with an employee, of a child; and

(6) care for an employee's child within the twelve (12) months following the child's birth, adoption by the employee, or initial placement with the employee for foster care, which care is not immediately related to the illness or disability of that child.

(C) Notice of Absence for Sick Leave Purposes An employee not reporting to work for any of the reasons stated above shall notify, or cause to be notified, the Chief of Police, or his designee, as soon as possible, and preferably prior to the time at which he or she is required to report to work. As soon as possible thereafter, the employee shall submit to the Chief of Police a request for the use of sick leave on the form provided by the City for such purpose.

(D) A bargaining unit employee who is determined to be abusing the use of sick leave, through a documented pattern of excessive use of sick leave or through a consistent pattern of sick leave use in conjunction with holidays or non-shift days, shall be required to submit proof of illness or other appropriate proof of the existence of circumstances that would justify the use of sick leave under this agreement, to the Chief of Police, or his designee, in connection with any period of time in connection with which the employee seeks to use paid sick leave and before the requested paid sick leave use may be approved.

(E) Doctor's Certificate Required Sick leave taken for a period in excess of three (3) consecutive shifts shall be approved only after presentation of a written statement by a licensed practicing physician certifying that the employee's condition prevented him or her from performing the duties of his or her position. If, in the opinion of the Chief of Police or the City Manager, the employee's condition presents a risk of harm to the employee or to others with whom the employee comes into contact while on duty, the Chief of Police or the City Manager may require that the employee present a physician's statement certifying that the employee is able to return to work, prior to the date on which the employee intends to return to work. The City Manager or Police Chief may, in his or her respective discretion, require a physician's statement to justify an employee's use of sick leave for a period of time that is less than three (3) consecutive workdays, as established at paragraph (E) of this Section 12.1.

(F) Absence for Less Than a Day Sick leave shall be charged in no less than one quarter hour increments for absences of less than one (1) work day in connection with categories of sick leave listed at subparagraphs (1) through (6) of paragraph (B) of this Section 12.1.

(G) Advance Sick Leave The City Manager may grant advance sick leave to an employee if the employee has an insufficient balance of accrued sick leave time, the City Manager deems it appropriate under the circumstances, and City Council authorizes the grant of advance sick leave.

(H) Re-employment Credit After Lay-Off A bargaining unit employee who is laid off from his or her position, for reasons that are not related to employee discipline, shall be credited with the balance of that employee's accumulated but unused sick leave hours existing as of the time that the employee was laid off, so long as the employee is re-employed by the City within ten (10) years of the date on which the employee was initially laid off.

(I) On-Duty Injury Employees who are disabled by injury in the performance of duty may utilize accumulated sick leave until the award of Workers' Compensation benefits. The member shall assign all Workers' Compensation benefits over to the City at which time the member will be re-credited with sick leave used during the period of incapacity up to a maximum of ninety (90) days. Thereafter, the employee may use accumulated sick leave at the rate of one-third (1/3) day for each day absent to make up the difference between the amount paid by Workers' Compensation and the employee's net wage until his sick leave balance is exhausted.

(J) Application to Outside Employment Use of sick leave shall not be permissible for illness or injury resulting from employment with another employer.

(K) Payment for Accrued Sick Leave Upon Resignation or Retirement from the City Employees who were regular full-time Public Safety Dispatchers as of December 31, 2000, accrue sick leave at a one-for-one resignation/retirement/death cash-out rate up to the next 500, 1000 or 1440 hour level - based on their respective aggregate sick leave levels as of December 31, 2000. All remaining sick leave hours will be accrued subject to a one-for-three cash-out rate, up to an aggregate maximum of 1440 hours. (e.g., an employee with 300 hours of accrued sick leave can accrue up to 500 hours subject to the one-for-one cash-out rate. All remaining hours, up to an aggregate maximum of 1440 hours will be accrued subject to a one-for-three cash-out rate.)

Employees who dip below their maximum one-for-one cash-out levels can replenish those one-for-one levels with earned sick leave.

All regular full-time Public Safety Dispatchers hired on or after January 1, 2001, will accrue all sick leave up to a maximum of 1440 hours subject to a one-for-three cash-out rate.

A bargaining unit employee, who resigns or retires with ten (10) or more years of service with the City, shall be paid for his/her accrued but unused sick leave hours in accordance with this

Section 12.1. An employee may choose to receive payment for a portion of his/her accrued but unused sick leave hours and retain a reduced balance to carry forward to another public employer upon re-employment in the public service if applicable. An employee who is discharged for cause is not eligible.

In no event shall any employee be compensated at resignation or retirement for sick leave hours in excess of 1440. Payment for sick leave hours in accordance with this paragraph shall eliminate the balance of all sick leave hours accrued by an employee up to the time of such cash payment. Payment for sick leave hours shall be made only once to any employee, even if that employee is later re-employed by the City.

(L) Payment for Accrued Sick Leave Upon the Death of an Employee If a bargaining unit employee dies while in the employ of the City, the cash value of all of his/her accrued and unused sick leave shall be paid to that employee's surviving designated beneficiary or estate. Payment shall be made in accordance with paragraph (K) of this Section 12.1.

(M) Sick Leave Donation

(1) The purpose of the City's Leave Donation Program is to provide a mechanism by which employees may donate accumulated sick leave and/or vacation hours to fellow employees who, because of catastrophic illness or other condition that requires a long term approved absence from work, have exhausted or are expected to exhaust all of their accumulated sick leave hours.

(2) All bargaining unit employees are eligible to participate in the Program upon approval from the City Manager. In order to be eligible as prospective donated leave recipients, employees must also be eligible for Family and Medical Leave Act leave, except that employees

are not required to have met the time in service requirements of the City's FMLA rules in order to be eligible for participation in the Program.

(3) Following are the steps that must be taken to donate leave and to be credited with donated leave under the Program:

(a) Completion of Request Form; Approval by City Manager Required

A prospective donated leave recipient or a co-worker may initiate the leave donation program by completing a standard request form (available from the City's Human Resources Manager) and submit it through the Chief of Police to the City Manager for approval. If the employee requests confidentiality with respect to the circumstances that prompt the request, the employee must so indicate on the request form. The City will make every reasonable attempt to honor employees' requests for privacy and will request advance permission to disclose information where an employee has requested confidentiality.

(b) Solicitation of Prospective Donors Once the City Manager has approved an employee's request to participate in the Program, requests may be made on the employee's behalf by a co-worker, or the employee's supervisor, all in coordination with the Human Resources Manager. The Human Resources Manager may also solicit donations on behalf of an employee on an anonymous basis. If a potential leave recipient so desires, he or she may request leave donations on his or her own behalf. If an employee is determined by the City Manager to have exerted undue pressure in the solicitation of a leave donation, that employee shall be disqualified from participation in the Program.

(c) Completion of Leave Donation Forms; Submission to the Finance Director Employees who wish to donate leave shall complete a standard form (available from the Human Resources Manager) containing the following:

1. The name of the donating employee;

2. The name of the employee for whom the donated leave is intended. If the donating employee wishes to donate leave to a general pool without designating a recipient, this should be indicated by writing *General Pool* on the form in place of a name. The Human Resources Manager will maintain the *General Pool* of donated leave for use by employees who are in need of leave and who do not receive adequate donations;

3. The type of leave (sick leave or vacation time) and the number of hours to be donated. (Leave may be donated in full hour increments only); and

4. A certification that the donating employee will retain a balance of at least eighty (80) hours of combined sick leave and vacation time after donating.

(4) Crediting of Donated Time Donated leave time will be credited to the sick leave balance only of the intended recipient at the time that the recipient has exhausted his or her total available sick leave balance. In no event shall an employee be credited with more donated leave time than leave time actually consumed in connection with the absence for which leave was donated.

Additionally, donated leave time shall not be credited to a recipient employee's vacation time balance. Excess leave time shall be processed in accordance with subparagraph (6) of paragraph (M) of this Section 12.1.

(5) Pay and Benefits During Donated Leave Time Employees who are away from work on donated leave shall continue to be paid as they would be if they were using their own accumulated sick leave, until such time as the donated leave is exhausted. Such employees shall not receive more than the amount of their regular bi-weekly earnings, plus any City required medical insurance premium or payment in lieu of premium, and less any disability or Worker's

Compensation benefit amounts that the employee receives during each such pay period. Employees using donated leave shall be considered to be in an active pay status and shall accrue sick leave and vacation time, and shall be entitled to any benefits to which they would otherwise be entitled. Leave accrued by an employee while using donated leave shall be used, if necessary, in the following pay period before additional donated leave may be credited. Donated leave time shall not count toward the probationary period of an employee who receives donated leave during his or her probationary period.

(6) In the event that leave donors pledge more donated time to an employee than that employee actually uses in connection with the absence for which leave was donated, that overage shall not be credited to the intended beneficiary. Instead, the time shall be re-credited to the leave donors in proportion to the amount pledged, in full hour increments. Any excess resulting from rounding in the re-crediting shall be considered exhausted and shall no longer count as potential paid leave time for any employee's benefit.

Section 12.2 Bereavement Leave Bargaining unit employees will be provided bereavement leave for relatives as follows: the death of an employee's spouse, child (including step or foster children), grandchild, parent (including step-parents), grandparent, sibling, employee's spouse's parent (including step-parents), grandparent, child, grandchild, sibling, provided that such leave shall not exceed four regular work days, and such leave shall not be deducted from the balance of the employee's accumulated sick leave.

Section 12.3 Military Leave An employee who is a member of any United States military Reserve or National Guard unit and is required to engage in annual training exercises or is called to active duty, shall be granted leaves of absence for military duty in accordance with federal and state law.

Section 12.4 Jury Duty An employee, while serving upon a jury in any court of record, shall be paid at his regular salary rate for each of his work days during the period of time so served providing, that the jury duty fees, paid to the employee by the court, shall be kept by the employee, provided that the employee shall not be entitled to any reimbursement from the City for expenses incurred such as parking, mileage or meals in connection with jury duty.

Section 12.5 Unpaid Personal Leave Leaves of absence for good reasons without pay or other fringe benefits may be granted at the sole discretion of the Police Chief and the City Manager. Employees shall accrue seniority for such leave up to six (6) months.

Section 12.6 Emergency Leave In the event of a serious family or personal emergency, an employee may request unpaid leave with the approval of the Chief. Such approval shall be at the sole discretion of the Chief.

ARTICLE 13

CLOTHING AND EQUIPMENT

Section 13.1 Items to be Provided The Employer shall provide all articles of uniforms and equipment which are required by the Employer, provided said articles are unique to police dispatch service and not suitable for off-duty wear. All such articles which are determined by the Employer to have been damaged in the line of duty or are damaged by way of normal wear and tear shall be repaired or replaced by the Employer at its expense.

Standard uniforms and equipment utilized by dispatchers on-duty as prescribed in the Police Department's rules and regulations/policies and procedures manual shall be provided based on a demonstrated need that meets with the approval of the Chief of Police or his designee(s) or is suggested at the request of a shift supervisor who recognizes the need for replacement and, again,

which meets with the approval of the Chief of Police or his designee, or is mandated by the department and imposed department-wide as part of a general change. Once granted or approved, the dispatcher needing clothing or equipment will be provided with written authorization to make the specific purchases at an establishment authorized by the City to provide the items. In the case of change(s) affecting the entire department, the Chief or his designee shall arrange for such purchases for the members of the department.

Section 13.2 Items to be Returned Employees, at the time of termination of employment, are required to return all articles of uniforms and equipment which were provided by the Employer.

Section 13.3 Cleaning of Uniforms Employees shall be provided a clothing maintenance allowance of one hundred twenty five dollars (\$125.00) each half year to be used for the purpose of clothing maintenance.

Section 13.5 Dentures and Glasses The City will replace any dentures, dental work (e.g., bridges, crowns or caps), glasses, prescription contact lenses or hearing aids lost or broken in the line of duty.

ARTICLE 14

SENIORITY

Section 14.1 Seniority for a regular full-time employee shall be that employee's length of continuous service with the Employer. For the purpose of calculating length of service, the date of an employee's service shall be counted from his most recent date of hire by the City and/or former Hudson Township. An employee shall have no seniority during his/her probationary period, but upon completion of the probationary period, seniority shall be retroactive to the date of hire.

Section 14.2 Seniority shall be broken when an employee:

- (A) Quits or resigns;
- (B) Is discharged for just cause;
- (C) Is laid off more than two (2) years;
- (D) Is absent without notice for three (3) consecutive work days;
- (E) Fails to report for work, or fails to contact the City, when recalled from layoff, within five (5) work days from the date on which the Employer sends or delivers the employee notice (to such employee's last known address as shown on the Employer's records).

Section 14.3 The City shall furnish the Union with a seniority list on an annual basis.

Section 14.4 There shall be an annual shift bid. Shift-bidding shall be conducted by seniority. However, management reserves the right to deviate from seniority-based shift bidding based on reasonable operational necessity following consultation with the Union.

ARTICLE 15

PROBATIONARY PERIOD

Section 15.1 All new employees shall be considered to be on probation for a period of twelve (12) from the date of employment. Where a probationary employee is absent for a total of ninety (90) or more days, the probationary period may be extended up to the amount of the absence. The retention of a probationary employee shall be at the discretion of the appointing authority and the Police Chief. An employee may be discharged for any reason during the probationary period and such discharge shall not be subject to the grievance procedure.

Section 15.2 If an employee is discharged or quits while on probation and is later rehired, he shall be considered a new employee and subject to the above probationary provisions.

Section 15.3 Upon completion of probation, seniority shall commence from the employee's date of hire.

ARTICLE 16

LAYOFF AND RECALL

Section 16.1 Employees may be laid off as a result of lack of work, lack of appropriated funds, or abolishment of position. In the event of a layoff, the Employer shall notify the affected bargaining unit member(s) fifteen (15) calendar days in advance of the effective date of the layoff. Any layoffs in the bargaining unit shall be in accordance with departmental seniority (i.e., the most recent employee hired shall be the first employee laid off). The Employer agrees to meet and discuss with representatives of the OPBA regarding the impact of the layoff on bargaining unit employees.

Section 16.2 Employees who are laid off shall be placed on a recall list for a period of two (2) years. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are presently qualified to perform the work in the work section to which they are recalled. Any recalled employee requiring additional training to meet the position qualifications in existence at the time of recall must satisfactorily complete the additional training requirement within twelve (12) months of recall. Any training required in this section shall be at the Employer's expense.

Section 16.3 Notice of recall shall be sent to the employee by certified mail. The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice, return receipt requested, to the last mailing address provided by the employee.

Section 16.4 The recalled employee shall have five (5) work days following the date of the recall notice to notify the Employer of his intention to return to work and shall have ten (10) work days following the receipt of the recall notice in which to report for duty, unless a different date for return to work is otherwise agreed upon.

ARTICLE 17

GRIEVANCE PROCEDURE

Section 17.1 It is mutually understood that the prompt presentation, adjustment and/or answering of grievances is desirable in the interest of sound relations between the employees and the Employer.

Section 17.2 A grievance is defined as a claim or dispute by an employee arising out of the application or interpretation of this Agreement, under express, written provisions of this Agreement, and shall be processed in the following manner:

Step 1: The employee and the employee's immediate supervisor shall meet to attempt to work out the grievance on an informal basis.

Step 2: If the grievance is not resolved under the informal method set forth in Step 1, a written grievance must be filed with the employee's immediate supervisor within seven (7) work days after that meeting. Thereafter, within seven (7) work days after the filing of the grievance, a meeting will be held among the appropriate management representatives, the aggrieved employee(s), and if the employee(s) so elect(s), a representative of the Union. Within seven (7) work days of this meeting, the management representative shall issue a written answer to the grievance.

Step 3: If the grievance is not satisfactorily settled in Step 2, the employee and/or

the Union may appeal the Step 2 answer to the Chief of Police or his designated representative within seven (7) work days after receipt of the Step 2 response. Such appeal shall be in writing and include a copy of the original grievance, and shall specify the reason why the grievant believes the Step 2 decision is in error. The Chief of Police or his designated representative shall schedule a grievance meeting with the employee(s) and if the employee(s) so elect(s), a representative of the Union, within seven (7) work days after receipt of the appeal and shall issue a written decision to the aggrieved member within seven (7) work days after the end of the meeting.

Step 4: If the grievance is not satisfactorily settled in Step 3, the aggrieved member and/or the Union may file an appeal with the City Manager or his/her designated representative within seven (7) work days after the receipt of the Step 3 decision. Such appeal shall be in writing, shall include a copy of the original grievance, and shall specify the reason why the aggrieved employee(s) and/or the Union believe(s) that the Step 3 decision is in error. The City Manager or his designated representative shall reply in writing within ten (10) work days thereafter.

Section 17.3 A group grievance or termination grievance may be brought at Step 3 of the grievance procedure. When a group of two (2) or more employees are eligible to file a grievance, the grievance may be filed on behalf of the effected employees by the staff representative of the OPBA. Any such class action grievance shall include a list of the employees that are covered by the grievance.

Written grievances must be filed in the proper form (see Attachment A) and contain the following information:

- (A) date and time grievance occurred;
- (B) description of the incident giving rise to the grievance;
- (C) provisions of the Agreement violated;

- (D) relief requested; and
- (E) signature of the employee.

Section 17.4 Arbitration Procedure

(A) If the grievance remains unresolved following the decision of the City Manager, the Union may submit said grievance to arbitration under the rules of the Federal Mediation and Conciliation Service or another mutually agreed third party, such action to be filed with FMCS or the other mutually agreed third party within thirty (30) calendar days following the decision of the City Manager. If FMCS is chosen, the panel shall be from the National Academy Panel where possible. Either party may request a second panel from FMCS. If the Union fails to submit said grievance to arbitration, the grievance shall be deemed abandoned and no further action shall be taken with respect to such grievance.

(B) The Arbitrator shall convene a hearing at the earliest possible date for the purpose of hearing the grievance.

(1) The Arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the specific written provisions of this Agreement. The Arbitrator shall only consider and make a decision with respect to the specific issue submitted by the parties, and shall have no authority to make a decision on any other issue not so submitted. The Arbitrator shall provide the parties with a decision within thirty (30) days following the close of the hearing. The Arbitrator's decision shall be final and binding on all parties as to the matter in dispute.

(2) Nothing in this section limits the right of the parties to be represented by legal counsel during the arbitration process.

(3) Each party shall pay the expenses of their own representatives, and they shall equally share the cost of the Arbitrator.

(4) If either party desires a verbatim record of the proceedings, it may cause a record to be made providing it pays for the record and makes copies available without charge to the Arbitrator.

(5) Any award recommended by the Arbitrator may be retroactive to the date the grievance was submitted at Step 1 or up to an additional five (5) days if the event occurred within this time period. In no case shall a grievance be deemed to have occurred prior to the effective date of this Agreement, except as specifically acknowledged and identified in writing by the parties on the date this Agreement is signed.

Section 17.5 Time Limitations

(A) A grievance must be filed within seven (7) work days from the occurrence of the alleged violation or within seven (7) work days of reasonable knowledge of the incident.

(B) Where a grievance is originally timely filed and the Employer fails to answer it in a timely manner, then the grievance shall automatically proceed to the next step of the Grievance Procedure.

(C) Once a grievance is originally timely filed, the parties may, by agreement, extend the time in which to answer it or appeal the answer to the next step.

Section 17.6 The OPBA shall have final authority, in its capacity as exclusive representative of the employees covered by this Agreement, to withdraw or to terminate the processing of a grievance at any step of the grievance procedure.

Section 17.7 The grievance procedure set forth in this Article shall be the sole and exclusive method for resolving matters which constitute grievances under this Agreement. Any decisions,

results, or settlements reached under the terms of this Grievance Procedure shall be final, conclusive and binding on the Employer, the OPBA and the employees.

ARTICLE 18

NO STRIKE/NO LOCKOUT

Section 18.1 The OPBA shall not, directly or indirectly, call, sanction, encourage, finance, and/or assist in any way, nor shall any employee instigate or participate, directly or indirectly, in any strike, slowdown, job action, walk-out, concerted "sick" leave, work stoppage, sympathy strikes, picketing, or interference of any kind at any operations of the Employer. Furthermore, all lawful orders of superior officers shall, at all times, be followed and immediately complied with.

Section 18.2 Any employee who violates Section 1 of this Article shall, at the discretion of the Employer, be subject to discharge (selective or otherwise) or other disciplinary action by the Employer.

Section 18.3 The OPBA shall, at all times, cooperate with the Employer in continuing operations in a normal manner and shall actively discourage and endeavor to prevent or terminate any violation of Section 1 of this Article. In the event any violation of Section 1 of this Article occurs, the Union shall immediately notify all employees that the strike, job action, concerted sick leave, slowdown, picketing, work stoppage, or other interference at any operations of the Employer is prohibited and is not in any way sanctioned, or approved, by the OPBA. Furthermore, the OPBA shall also immediately advise all employees to return to work at once.

Section 18.4 The Employer shall not lock out any employee for the duration of this Agreement.

ARTICLE 19

MISCELLANEOUS

Section 19.1 Reimbursement of Training Expenses If an employee voluntarily terminates his/her employment with the City within one (1) year from initial date of employment, the employee will reimburse the Employer for the cost to the Employer of all basic and special training, educational courses of study, seminars and any other related special educational programs, as well as related costs, including travel expenses, provided to the employee at the expense of the Employer.

Section 19.2 Except where an employee is found by a Court to have acted in a willful, wanton or malicious manner, the Employer shall indemnify and hold harmless all employees covered by the terms of this Agreement from any liability arising from or because of any claim or suit brought against such employee arising from or because of any action on or inaction by such employee in the scope of employment.

Section 19.3 Bulletin Board The Employer will provide the Union reasonable space on a bulletin board in a non-public area. The Union shall use this board for posting of notices pertaining to recreational and social activities, Union elections, reports of the Union, or its committees, Union meeting notices, legislative enactments, decisions of the State Employment Relations Board (SERB), and judicial decisions affecting public employee labor relations. The Union shall not post any materials which are obscene, defamatory, or which impair the operation of the department, or which constitute partisan political campaign material.

Where the Employer finds material posted on the bulletin board to be objectionable as violative of this Agreement, it will consult with the Union and state, in writing, its objection.

The material in question shall be promptly removed from the bulletin board by the Union. In the event that the Union fails to remove the objectionable material, the Employer may do so. The Union may pursue the matter through the grievance procedure for resolution.

Section 19.4 An employee has the right to the presence and advice of an OPBA representative at all disciplinary interrogations.

Section 19.5 Internal Union Business

(A) **Duty Hours** The internal business of the Union shall be conducted during non-duty hours. This does not apply to time spent in contract administration or grievance processing.

(B) **City Facilities, Vehicles and Equipment** Use of Employer's facilities to conduct internal Union business shall be allowable by permission of the Chief of Police and at his sole discretion, but shall not be unreasonably denied. Requests to use the Employer's facilities shall be made at least one (1) week in advance of the meeting date.

City vehicles, equipment, supplies, devices or on-duty employees shall not be used in the support of internal Union business activities or Union meetings. The initiation, typing and filing of a grievance shall be exempt from this paragraph.

Section 19.6 The City shall pay per diem as outlined in Administrative Directive #99-02, February 1999, as such directive may be amended from time to time.

Where the City has provided permission for an employee to use his/her personal vehicle for City business, the employee shall be reimbursed at the current I.R.S. rate in effect at the time.

Section 19.7 The City agrees to operate and maintain a safe working environment as far as practical for all bargaining unit members.

Section 19.8 The parties shall comply with all applicable federal laws.

Section 19.9 Employees must report, within a reasonable time in writing, any unsafe conditions relating to police operations to their immediate supervisor.

Section 19.10 The City shall not knowingly mandate that an employee operate any unsafe equipment. If, however, the Officer-in-Charge concludes that the equipment is safe, it is the responsibility of the employee to operate such equipment subject to the grievance/arbitration procedure.

ARTICLE 20

OPBA REPRESENTATION

Section 20.1 A non-employee representative of the OPBA shall be admitted on the City's premises (in non-secured areas) for the purposes of processing grievances, pursuant to Article XVII, Grievance Procedure, attending meetings, or for monitoring the administration of this Agreement.

Section 20.2 The OPBA may schedule meetings on City property where space is available and pursuant to any applicable rules applying to such space. Meetings will be scheduled so as not to disturb the efficient running of the Police Department.

Section 20.3 Members serving on the negotiating committee shall do so without loss of pay so far as it does not disturb the efficient running of the Department.

Section 20.4 The City shall permit the Union a total of forty-eight (48) hours of paid leave time to be used for Union leave only to attend any conventions, educational meetings, etc. Such leave must be approved by the Chief of Police prior to being used.

Section 20.5 The OPBA shall have a designated Union bulletin board to be used for Union-related postings only.

ARTICLE 21

LABOR-MANAGEMENT AND SAFETY COMMITTEE

The parties agree to establish a joint Labor-Management Committee which shall consist of an equal number of Management and Union members. This Committee shall meet on a quarterly basis or as mutually agreed. The purpose of this Committee is to discuss the following:
