

City of Hudson, Ohio - Storm Water Policy

The City of Hudson (COH) may only perform drainage and storm sewer related work within a COH public right-of-way, a public easement dedicated or granted to and accepted by the COH, in an emergency situation on private property at the owner's expense or as directed by the City Council based upon a finding of a public nuisance and the failure of the property owner to perform the required nuisance abatement and at the owner's expense.
