Chief Robbins –

The 2015 City of Hudson Budget provides for the replacement of three police cruisers.

Based upon the current mileage, age, and overall condition, I recommend replacing marked cruisers # 5, # 9, and # 10 (all being 2011 Ford CVPI - Fleet ID # 1161, 1164 & 1162) with 2016 Ford Police Interceptor Utility models equipped consistently like the rest of our patrol fleet.

I obtained quotations from the recipient of State Contract RS901214 (*Law Enforcement Vehicles – 2014 Model Year or Newer, effective through 09/30/2015*) Lebanon Ford, along with Statewide Ford and through the GSA AutoChoice portal. Quotations were also requested from local dealers Klaben Ford, Liberty Ford, Montrose Ford, and Spitzer Ford; none of which provided a quotation. Historically, local dealers have cited not being able to compete with the Ohio State Term contract pricing coupled with 2016 model year pricing from Ford not yet being available.

Of the three quotations received, Lebanon Ford returned the lowest, at state contract pricing, at \$25,171 per vehicle delivered to our location. Statewide Ford quoted \$26,027 (delivered) and GSA AutoChoice was at \$27,341.71 (local pick-up) for the same vehicle.

I recommend to you and City Council that legislation be passed awarding Lebanon Ford a \$75,513 contract to provide tgree replacement police vehicles this year.

Respectfully submitted,

Sergeant Dan Thompson #183
