Re: Request for continuation of an Agricultural District application 7005 Walters Road

The Community Development Department has reviewed the application of Vincent Roman for the designation of 10.03 acres of land for agriculture use for tax purposes (O.R.C. 929.02). This land is located at 7005 Walters Road Permanent Parcel numbers 3010377.

The property consists of fenced pasture, beehives, and livestock. The property was previously approved for agricultural use exemption in 2018; however, is considered a new application as the property has transferred since the previous approval. I visually inspected the property and found the above agricultural uses are consistent with the application being submitted to Summit County Auditor. Staff also contacted the Summit County Fiscal Office and verified the county has received and is processing the application. The use of the site being devoted to an agricultural purpose is permitted within the Land Development Code.
