- A. [15-0003](#) **Discussion: Discontinued Use of “Slow Children at Play” Signs and the Future Status of These Signs Currently Installed Throughout the City.**

Executive Summary: The Ohio Department of Transportation has removed the “Slow Children at Play” signs from the current Ohio Manual of Unified Traffic Control Devices. The Public Works and Engineering Departments use the manual to manage the City’s sign inventory and typically have adhered to the rules, regulations and signage instructions as published. Therefore, the Public Works Department no longer approves or installs these signs and seeks City Council support of a systematic removal plan for the existing signs in the field.
