it is necessary for the City to borrow money, by the issuance and sale of the Notes, as provided herein, to provide funds necessary to pay costs of the Project and to retire the Outstanding Notes.

Section 3: Authorization and Terms of Notes. This Council determines it to be necessary to issue, and the City shall, issue, sell and deliver, as provided and authorized herein and pursuant to the authority of the Act, the Notes, in anticipation of the issuance of bonds, in the aggregate principal amount of \$740,000 for the purpose of paying costs of the Project and to retire the Outstanding Notes. The Notes shall be designated “Taxable Economic Development Nontax Revenue Notes, Series 2021 (Downtown Redevelopment Project Phase II)” unless otherwise designated in the Certificate of Award, and shall be numbered or designated by series or project identification as determined by the Finance Director, to distinguish the Notes from other City notes.

The Notes shall be dated the date of issuance and shall mature, subject to prepayment as provided in Section 5, not later than one year from their date of issuance, as shall be fixed by the Finance Director in the Certificate of Award. The Notes shall bear interest from their date of issuance at a rate not to exceed 5% per year (computed on the basis of a 360-day year consisting of 12 30-day months), payable at maturity or at any date of earlier prepayment as provided for in Section 5 and until the principal amount is paid or payment is provided for.

The Note service charges shall be payable in lawful money of the United States of America, and shall be payable, without deduction for services of the Paying Agent, at the office of the Paying Agent.

Based on the best interests of and financial advantages to the City and conditions then existing in the financial markets and subject to the limitations set forth in this Section, the Finance Director shall determine and specify in the Certificate of Award the date of issuance and maturity of the Notes and the rate of interest that Notes shall bear.

The City may in the future issue Parity Obligations. The Finance Director may agree in the Certificate of Award to reasonable limits on the future issuance of Parity Obligations, consistent with that officer’s determination of the best interest of and financial advantages to the City; provided, that any limit on the maximum annual aggregate of estimated service charges on the Bonds and required payments on any existing Parity Obligations and proposed Parity Obligations payable from Nontax Revenues shall not be less than 50% of estimated Nontax Revenues for the fiscal year immediately following the issuance of the proposed Parity Obligations.

Section 4: Estimated Bond Terms. The Bonds shall be dated approximately December 1, 2022, shall bear interest at the now estimated rate of 6% per year, payable semiannually until the principal amount is paid, and are estimated to mature in 20 annual principal installments beginning December 1, 2023, that are such that the total amount of principal and interest payments on the Bonds in any fiscal year in which principal is payable is substantially equal to the total amount of those payments in each other such fiscal year. Nothing in this Ordinance shall prevent the City from retiring the Notes with the proceeds of bond anticipation notes or with the proceeds of Bonds or other obligations containing terms different than those described in this Ordinance.

Section 5: Prepayment Provisions. If agreed to by the Original Purchaser, the Notes shall be subject to prepayment prior to stated maturity, by and at the sole option of the City, in whole or in

part on any date, at a prepayment price equal to the principal amount prepaid, plus interest accrued to the prepayment date. Prepayment prior to maturity shall be made by deposit with the Original Purchaser of the principal amount of the Notes to be prepaid together with interest accrued thereon to the date of prepayment. The City's right of prepayment shall be exercised by mailing or otherwise delivering a notice of prepayment, stating the date of prepayment and the name and address of the Original Purchaser, by certified or registered mail to the Original Purchaser of the Notes not less than seven days prior to the date of that deposit, unless that notice is waived by the Original Purchaser of the Notes. If money for prepayment is on deposit with the Original Purchaser on the specified prepayment date following the giving of that notice (unless the requirement of that notice is waived as stated above), interest on the principal amount prepaid shall cease to accrue on the prepayment date, and upon the request of the Finance Director the Original Purchaser of the Notes shall arrange for the delivery of the Notes to be prepaid at the office of the Original Purchaser for prepayment and surrender and cancellation.

Section 6: Execution. The Notes shall be negotiable instruments in accordance with the Act, and each Note shall express on its face the purpose for which it is issued and such other statements or legends as may be required by law.

The Notes shall be signed by the City Manager and the Finance Director, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile.

Section 7: Sale of Notes. The Notes shall be awarded and sold by the Finance Director at private sale to the Original Purchaser, in accordance with this Ordinance, at a purchase price of not less than the par value thereof. The Finance Director is authorized and directed to sign and deliver the Certificate of Award to evidence each such sale and to establish, consistent with the provisions, and subject to the limitations set forth herein, certain final terms of the Notes. It is hereby determined that the price for and the terms of the Notes, and the sale thereof, all as provided in this Ordinance and in the Certificate of Award are in the best interest of the City and in compliance with all legal requirements.

The Finance Director and other City officials are authorized and directed to make the necessary arrangements with the Original Purchaser to establish the date, location, procedure and conditions for the delivery of the Notes to the Original Purchaser, and to take all steps necessary to effect due execution and delivery of the Notes, together with a true transcript of proceedings with reference to the issuance of the Notes, to the Original Purchaser upon payment of the purchase price under the terms of this Ordinance. The City Manager, the Mayor, the Finance Director, the City Solicitor, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements, security agreements with respect to the liens referred to in this Ordinance, and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

Section 8: Application of Note Proceeds. The proceeds from the sale of the Notes shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued.

Section 9: Payment and Security of the Notes. The Notes and the Bonds shall be special obligations of the City, and the Note service charges on the Notes and the debt charges on the Bonds

shall be payable solely from the Nontax Revenues, and the payment of Note service charges is secured by a pledge of and lien on the Nontax Revenues on deposit in the Note Fund, as described below. The Notes and the Bonds are not and shall not be secured by an obligation or pledge of any money raised by taxation. The Notes and the Bonds do not and shall not represent or constitute a debt or pledge of the faith and credit or taxing power of the City, and the holders thereof have and shall have no right to have taxes levied by the City for the payment of Note service charges on the Notes or debt charges on the Bonds.

The City covenants and agrees that while the Notes are outstanding, it will appropriate and maintain Nontax Revenues at such times and in such amounts as will be sufficient, together with the proceeds of the Bonds or renewal notes issued in anticipation of the Bonds available for the purpose, to pay the Note service charges on the Notes and required payments on Parity Obligations when due and will so restrict the issuance of future Parity Obligations as will ensure the continuing availability for appropriation of sufficient Nontax Revenues to pay Note service charges and required payments on outstanding Parity Obligations when due, which Nontax Revenues are hereby selected by the City pursuant to Section 165.12 of the Revised Code as moneys that are not raised by taxation.

The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the Note service charges on the Notes at maturity and are pledged for that purpose.

Nothing herein shall be construed as requiring the City to use or apply to the payment of Note service charges on the Notes any funds or revenues from any source other than Nontax Revenues. Nothing herein, however, shall be deemed to prohibit the City, of its own volition, from using, to the extent that it is authorized by law to do so, any other resources for the fulfillment of any of the terms, conditions or obligations of this Ordinance or of the Notes.

Section 10: Covenants and Representations of City. In addition to other representations and warranties of the City contained in this Ordinance, the City covenants and agrees that:

(a) Payment of Note Service Charges. Except to the extent paid from the proceeds of refunding bond anticipation notes or the Bonds, the City will, solely from the Nontax Revenues, pay or cause to be paid the Note service charges on the dates, at the places and in the manner provided herein and in the Notes. For that purpose, in each year while the Notes are outstanding, this Council, after providing for the payment of debt charges payable on the City's general obligation securities in that year from sources available for that purpose, will appropriate Nontax Revenues required to pay, and for the purpose of paying, the Note service charges and required payments on Parity Obligations due in that year. Further, this Council will give effect to such appropriations in all ordinances it passes thereafter in that year appropriating money for expenditure and encumbrance and limit the other appropriations of Nontax Revenues in that year to the amount available after deducting the amount required for the payment of debt charges payable on the City's general obligation securities and to pay those Note service charges and required payments on Parity Obligations.

(b) Performance of Covenants and City Actions. The City will at all times faithfully observe and perform all agreements, covenants, undertakings, stipulations and provisions to be performed on its part under this Ordinance and the Notes and under all proceedings of this Council pertaining thereto. The City represents that (i) it is, and upon delivery of the Notes covenants that it

will be, duly authorized by the Constitution and laws of the State including particularly and without limitation the Act, and its Charter, to issue the Notes and the Bonds and to provide the security for payment of the Note service charges in the manner and to the extent set forth herein and in the Notes, (ii) all actions on its part for the issuance of the Notes have been or will be taken duly and effectively and (iii) the Notes will be valid and enforceable special obligations of the City according to their terms. Each obligation of the City required to be undertaken pursuant to the Ordinance and the Notes is binding upon the City, and upon each officer or employee of the City as may from time to time have the authority under law to take any action on behalf of the City as may be necessary to perform all or any part of such obligation, as a duty of the City and of each of those officers and employees resulting from an office, trust or station within the meaning of Section 2731.01 of the Revised Code, providing for enforcement by writ of mandamus.

(c) Inspection of Project Books. All books and documents in the City's possession relating to the Project and the Nontax Revenues shall be open at all times during the City's regular business hours to inspection by such accountants or other agents of the holder as the holder of the Notes may from time to time designate.

(d) Transcript of Proceedings. The Clerk of Council, or another appropriate officer of the City, shall furnish to the Original Purchaser a true transcript of proceedings, certified by that officer, of all proceedings had with reference to the issuance of the Notes along with such information from the records as is necessary to determine the regularity and validity of the issuance of the Notes.

Section 11: Tax Matters. The City does not intend or represent that the interest on the Notes will be excluded from gross income for federal income tax purposes under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the City is not and shall not be obligated to take any action to attempt to secure or maintain any such exclusion.

Section 12: Payment and Discharge. If the City shall pay or cause to be paid and discharged the Note, the covenants, agreements and other obligations of the City hereunder and in the Notes shall be discharged and satisfied.

Section 13: Satisfaction of Conditions to Issue Notes. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding special obligations of the City have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 14: Retention of Bond Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Notes and the rendering of the necessary legal opinion upon the delivery of the Notes. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts.

That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Finance Director is authorized to provide for the payment of those fees and any reimbursements from the proceeds of the Notes to the extent available and otherwise is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 15: Severability. Each section of this Ordinance and each subdivision of any section thereof is hereby declared to be independent, and the finding or holding of any section or subdivision of any section thereof to be invalid or void shall not be deemed nor held to affect the validity of any other section or subdivision of this Ordinance.

Section 16: Ratification. Each action taken by the City and any officer of the City in connection with the Project and the Notes is hereby ratified and confirmed and shall be given full force and effect as of the time such action was taken.

Section 17: Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or its committees, and that all deliberations of this Council and any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law.

Section 18: Captions and Headings. The captions and headings in this Ordinance are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Ordinance unless otherwise indicated.

Section 19: Effective Date. This Ordinance shall be in full force and effect from and after the earliest period allowed by law.
