Design Intent

Hudson Fine Art & Framing Company is moving from 160 North Main Street to 134 North Main Street. This application is for the relocation of the existing signage to the new address. The existing sign in the front is proposed to move to wear the the Fair Trade on Main sign was previously located. The existing vinyl sign in the window is to be remade and put in the new storefront window. The existing rear sign will not fit in the 134 N. rear. A new rear sign is proposed in this design package with to resemble a similar likeness to the adjacent building's rear signs.
