

Petition to [Action Petitioned For]

Petition summary and background	Re-zoning of all Martin Drive parcels from Commercial to Residential. In 1999 the city of Hudson rezoned a section along the western border to District 6 (Commercial) in hopes of promoting development by commercial enterprises. This re-zoning included all parcels on Martin Drive. The development by commercial enterprises has been successful in some area's but there have been no attempts to develop the area along Martin Drive for nearly 20 years. This lack of interest by commercial enterprises along with the guidelines of commercial zoning have rendered all property along Martin Drive as stagnant. Returning Martin Drive parcels to District 1 (Residential) would promote the expansion and improvement of all Martin Drive properties
Action petitioned for	We, the undersigned, support the re-zoning of all parcels on Martin Drive from District 6 (Commercial) to District 1 (Residential). In conjunction with the ordinance amendment proposed by John Carse, Case #2018-5029.
