Estate Taxes are \$1,138,000 lower in 2014 due to the phase out of the tax. We are \$13,000 above the original estimate. We do not expect to receive any additional estate tax.

Interest Income is \$15,000 lower in 2014 due to reduced interest rates. We are above the budgeted estimate for the year by \$25,000.

Transfers, Advances and Reimbursements are \$85,000 lower in 2014 primarily due to a \$64,000 refund from BWC in 2013.

Miscellaneous revenue is up \$242,000 primarily due to \$114,000 revenue sharing payment from the City of Twinsburg from the county revenue sharing agreement and \$67,000 police radio grant from the county.

Street Maintenance & Repair Fund revenue is \$673,000 higher in 2014 primarily due to increased transfers in over 2013 for snow and ice control expense.

EMS revenue is \$85,000 lower in 2014 due to \$104,000 lower ambulance fees caused by several factors including reduced ambulance calls, reduced revenue generated per call and payments made directly to patients that have not yet been recovered. We are working with the billing company to analyze the causes and will continue to monitor this revenue stream.

Electric revenue is \$888,000 higher in 2014 due to \$901,000 increased customer sales from increased consumption and cost of power.

Ellsworth Meadows revenue is down \$81,000 compared to 2013 primarily due to poor weather conditions for April and May 2014 as well as \$17,000 reduced year to date income tax support

revenue. The total number of rounds through October 2014 is down 7.7% compared to September 2013.

Fleet revenue is \$245,000 higher in 2014 due to increased inter-departmental charges and adjustments to chargebacks to cover operating costs.

EXPENDITURES:

2013 YTD Actual vs. 2014 YTD Actual

General Fund expenditures increased \$880,000 through September 2014 as compared to September 2013. The largest increases were \$520,000 in *Police Department* expenditures primarily due to \$189,000 increased capital expenditures of which includes \$143,000 payment for the 800 MHz radio system in 2014 (\$67,000 was reimbursed via a grant). Police personnel-related costs also increased \$274,000 due to filling vacancies and an extra pay period in October 2014. *Mayor & Council* expenditures increased \$73,000 over 2013 primarily due to \$53,000 for the town hall furniture and camera replacement project costs. *Engineering* increased \$92,000 due to increased professional services and personnel costs as compared to 2013. *Public Properties* expenditures increased \$95,000 primarily due to \$87,000 increase in snow removal expenditures in 2014. *Transfers out* increased \$589,000 due to larger transfers for the Street Maintenance (Service) and Bond Retirement Funds.

Street Maintenance & Repair expenditures are \$532,000 higher in 2014 primarily due to \$233,000 increased cost of road salt purchases; \$19,000 increase is snow removal overtime; 28,000 increase in cul de sac snow removal and \$213,000 increase in inter-departmental vehicle charges offset by \$81,000 in severance pay in 2013.

Cemeteries Fund expenditures are \$55,000 higher in 2014 primarily due to the \$46,000 purchase of a replacement grave digging machine.

Parks Fund expenditures are \$108,000 lower in 2014 primarily due to the \$113,000 payment for the Hudson Springs parking lot in September 2013.

Fire Fund expenditures are \$119,000 lower due to \$123,000 decrease in 2014 personnel costs from vacancies and severance pay.

EMS Fund expenditures are \$86,000 higher in 2014 due the \$31,000 in computer equipment replacements and building improvement expenses in January 2014 plus severance pay in 2014.

Electric Fund expenditures are \$1,362,000 higher in 2014 primarily due to \$902,000 increased purchase of power cost through October. The increase in severe winter temperatures and increased costs from AMP caused the significant spike in the purchase price.

Storm Water Fund expenditures are \$87,000 higher in 2014 primarily due the \$67,000 in professional services payments for the Brandywine & Blackberry bridge project.

Fleet Fund expenditures are \$634,000 higher in 2014 primarily due to \$445,000 increased payments for vehicle purchases in 2014 plus increases in fuel and maintenance expenses.

2014 YTD Actual vs. 2014 Budget

As noted above, *Income tax revenue* through September is \$39,000 below estimate. *Miscellaneous General Fund* revenue is \$280,000 above estimate primarily due to the tax sharing payment and county grant payment as previously noted. *EMS* revenue is \$87,000 below budget due to a decrease in ambulance fees as previously noted. *Electric* revenue is greater than estimated as the increased

cost of power noted above is passed onto the customers. *Ellsworth Meadows* revenue is \$39,000 below estimate due to the inclement weather, most notably April and May of 2014.

The majority of expenses has a favorable variance or is within a reasonable range of budget except *Administration* and Transfers Out of the General Fund. Administration is due to severance pay and the increased transfer was to cover the additional winter related expenses, as noted above. The Street Maintenance Fund expenses are greatly exceeding budget due to the increased salt purchases needed for snow removal as noted above. Fire expenditures are \$341,000 below budget due reduced personnel costs and projects not yet completed. Electric has \$583,000 unfavorable variance due to increased purchase of power as previously noted. The additional cost of power is passed along to the customers as reflected in the favorable revenue variance.
