CITY MANAGER'S REPORT TO COUNCIL May 21, 2014 Council Meeting

KEY PROJECTS/PROGRAMS

- **EMS Week:** This week is National Emergency Medical Services Week, and I would like to acknowledge the outstanding efforts of our EMS members. We have a mostly volunteer EMS service, whose members dedicate their efforts to saving lives in our community. Our highly trained professional volunteers spend countless hours serving our community and providing a vital medical service to the citizens of Hudson. I applaud their dedication to our community and the work that they do.
- **Economic Development Familiarization Tour:** On Friday, we held our first Economic Development Familiarization Tour, where we invited key individuals from regional economic development agencies to Hudson to learn about our City and our available properties. The event was well received and we hope to hold more events in the future to highlight our economic development efforts.
 - I would like to thank my senior staff members for participating in this event to make it a great success. These senior staff members include: Mr. Chuck Wiedie, Economic Development Director, Ms. Jody Roberts, Communications Manager, Mr. Thom Sheridan, City Engineer, and Mr. Greg Hannan, City Planner.
 - Additionally, I would like to thank the Gables of Hudson for hosting the event for us. The facility is absolutely beautiful!

SEASONAL ACTIVITIES

- **Closed Memorial Day:** Monday is Memorial Day, and our City offices will be closed for the holiday.
