Re: request for delay of decision

Dear Hudson City Council,

This letter is in regards to the matter which involves the request of rezoning parcel # 3009586 from District 6-Western Hudson Gateway to District 3-Outer Village Residential Neighborhood zone. We understand that Council has requested a traffic impact study be performed before a final decision is rendered. Prestige Homes is in agreement that the time needed to perform this study will take us beyond the May 7th Council meeting. Therefore, we would respectfully request Council to delay or postpone their decision at the May 7th meeting until the June 18th Council meeting.

We sincerely appreciate the effort and consideration given to our rezoning request. Please feel free to contact us if you should have any questions or require any information from us that may assist the City.

Best Regards,

Chris Brown
Director of Land Development
