Attention: Hudson Architectural Review

Subject: Fence Repair

I recently moved from Clinton St to 42 St Aurora in Hudson. During the process, my new neighbor Jim Hackney (38 Aurora) approached us and told us that they were planning on repairing and/or replacing the fence that separates our properties. Jim wanted to make sure that we were aware of this and asked for our input. His plan was to restore the fence exactly as it had been built originally.

Since it effected our yard, we were very happy to see that the work was planned for the near future. We're very pleased with the result as it looks very nice.

Please feel free to contact me directly if I can be of any further assistance.

A handwritten signature in black ink, appearing to read 'Steve Neff', with a long, sweeping horizontal stroke extending to the left.
