RE: September 2018 Financial Report

Attached are the September month end financial reports. The reports include the following:

- 1. A <u>Statement of Cash from Revenue and Expense</u>
- 2. An <u>Executive Summary</u> of the City's major funds comparing current year-to-date revenues and expenditures to prior year-to-date and current budget figures.
- 3. <u>Supplemental Schedule</u> includes comparison of income tax revenue to prior year as well a breakdown by revenue type as well as Velocity Broadband year to date financial results.
- 4. <u>Bank Report</u> has been included to summarize the investment instruments on which the City earns interest income.
- 5. <u>Bank Reconciliation</u> has been included to show the City's accounts and related reconciling items.
- 6. <u>Utility Billing Delinquency Report</u> past due balances, accounts turned over to collections and accounts certified to Summit County.

Budgetary status of key revenue sources:

Broadband is 5.9% below estimate through September primarily due to due to less than projected revenue per account and an increase in delinquencies. We have since collected on the larger delinquent accounts. We are within budget on expenses and will continue to control overall net income.

SUPPLEMENTAL SCHEDULE FOR SEPTEMBER 2018 FINANCIAL REPORT

INCOME TAX REVENUE:

Income Tax revenues in the <u>General Fund only</u> are \$1,681,000 higher through September 2018 vs. September 2017 and \$1,384,000 above estimate. Through the end of September 2018, Withholding taxes are up 9.3%, Individual taxes are up 13.1% and Net Profit taxes are up 39.9%. Including Parks, Fire, EMS and Hudson Schools, income taxes are up \$2,100,000 or 13.0%; we projected a 2.5% increase over 2017.

We continue to benefit from the new businesses in Hudson Crossings were not open in early 2017 causing some of the increase in withholdings. One of our larger companies has experienced significant growth in payroll and several newer, small companies are experiencing growth. Several large individual estimated tax payments that may have been made due to the change in federal tax law. There were large net profit refunds in early 2017 that caused the large increase the year over year comparison to 2018. Additionally, there were some large net profit payments in 2018 that had \$0 due in 2017.

TOTAL YEAR TO DATE ACCOUNT WRITE-OFF'S \$41,899.43 (2)

YEAR TO DATE COLLECTION COMPANY RECEIPTS \$7,903.16

(1) "ACCOUNTS RECENTLY CLOSED" - accounts that have been closed and City staff is attempting to collect the balance due. If City staff is unable to collect on the account, it is turned over to a collection agency to pursue. The large increase for April 2017 was due to a large commercial company that recently closed. Staff is working with the building owners on a payment arrangement for the balance due.

(2) "TOTAL YEAR TO DATE ACCOUNT WRITE-OFF'S" - Include accounts or amounts written off due to uncollectability, bankruptcy, or collection company fees.
