September 12, 2014

Thomas Sheridan, City Engineer

City of Hudson, Ohio

Dear Thomas Sheridan,

The Village of Boston Heights approved the Sky Zone project within village boundaries at the October 2, 2013 Planning Commission meeting. The developer was asked regarding utilities for the project and the Planning Commission was told that utilities would be provided from the Hudson Crossing project.

The Village of Boston Heights has no objection to Hudson providing the water service to supply the Sky Zone facility. Cleveland Water Department provides no water line service to the Village south of the Ohio Turnpike and is unable to supply water to Sky Zone.

Contact me or Village Engineer, David Krock [330.657.2145] if further information is needed.

Sincerely,

A handwritten signature in blue ink that reads "Bill Goncy". The signature is written in a cursive style with a large, looping "G" at the end.

Mayor Bill Goncy
