Dear Mayor:

Re: Ratification of the Summit Akron Solid Waste Management Authority Solid Waste Management Plan, DBA ReWorks

ReWorks' Board of Trustees adopted the amended Solid Waste Management Plan on November 12, 2013. An electronic copy of the amended draft Plan is enclosed. This format will enable you to view and distribute the plan paper-free. Ohio law (Ohio Revised Code 3734.55(B)) requires the Board of Trustees to deliver a copy of the adopted Plan to the County Council, and the legislative authority of each municipal corporation and township within the County.

Within 90 days of receiving the Plan and prior to February 12 2014, the County Council and each legislative authority shall approve or disapprove the draft plan by ordinance or resolution.

Reworks determines that the Plan has been ratified when a combination of municipal corporations and townships with a combined population comprising 60 percent of the County has approved the Plan. That combination must include approval from the Summit County Council and the largest city in the county.

I have enclosed a sample ordinance/resolution that can be used by your community. If you have any questions, please call me at 330-374-0383.

Because of the 90 day timeframe which cannot be extended, we would appreciate your immediate attention to this request. Please call me if you have questions about the Plan or ratification procedures.

We look forward to hearing from you no later than 90 days from the date of this letter.

Sincerely,

Yolanda Walker
Executive Director
