Know what's below.
Call before you dig.

CONSTRUCTION NOTES:

- Contractor must verify all foundation dimensions and proposed grades shown on this plan. Any errors resulting from failure to check or to notify the surveyor of any changes shall not be the responsibility of Apex Land Surveying.
- Contractor to notify utilities protection services/ O.U.P.S. prior to construction.
- Silt fence must surround all excavation areas so that no silt escapes site.
- A construction entrance shall be constructed in the same location as the permanent drive, consisting of a 4 inch layer of 2 inch stone and be a minimum of 30 feet long.
- All grades shall comply w/corresponding government office.
- Maintain positive yard drainage away from house and a minimum slope of 1% along all swales.
- Contractor shall verify location and depths of existing laterals & verify if proper connections can be made to house. Contact corresponding government office or

- utility owner if discrepancies occur.
- All sewer connections must maintain a minimum slope of 1%.
- Footer drain & downspouts are to be tied into the storm drain. Refer to house plans for downspout locations.
- A foundation sump pump is required unless otherwise determined by contractor.
- The location of utilities shown hereon are based on observed evidence of above ground appurtenances ONLY. The location of these utilities may vary and are subject to field verification prior to construction. No other search for utilities was performed and additional utilities may be encountered.
- There was no search for easements of record, right-of-ways, restrictive covenants, encumbrances, ownership title evidence, or any other facts that a title search may disclose.

Estate™

ELEVATE YOUR
EXTERIOR

 **ROYAL®** Siding

**THIS IS WHAT REAL CURB
APPEAL AND NO-WORRY
MAINTENANCE LOOKS LIKE:
A BEAUTIFUL COMBINATION
OF PRESENCE, LIGHT,
SHADOW, TEXTURE AND
UV-RESISTANT COLOR
CALLED ESTATE™ SIDING.**

On Cover:
Estate™ D5D In Granite,
Portsmouth™ D7 Cedar Shingles In Walnut,
Royal® Vinyl Trim In White

Estate™ D4 In Weathered Gray,
Portsmouth™ D7 Cedar Shingles In Weathered Gray,
Royal® Vinyl Trim In Sand

Estate™ D4 In Redwood
Royal® Board & Batten In Harvard Slate
Royal® Vinyl Trim In White

TIMELESS PRESENCE

AND EFFORTLESS ENDURANCE
FROM DAY ONE.

Estate™ Siding gives you something invaluable in creating a gorgeous home: choice. That translates into a wide array of trending colors and several popular profiles. Plus it's engineered to add durability and subtract maintenance hassle, is warranted not to flake, chip or sag, and stands up to the sun, wind, rain and snow.

Estate delivers timeless design and worry-free living year after year.

- Available in a full palette of trending ColorScapes™ colors
- Offered in popular profiles (straight lap, dutchlap and beaded)
- Engineered with high performance features
- Never needs painting
- Surprisingly sustainable
- Industry-leading Double Lifetime Warranty

CERTIFICATION PROGRAM

Estate™ D4 In Redwood
Royal® Vinyl Trim In White

CONQUER ANY CLIMATE.

Estate™ Siding delivers high performance against the elements with hurricane-force wind resistance, Chromatix® technology applied to all Colorscapes® Dark and Premium colors, and nail hems and lock & clip systems designed for a robust installation.

- Robust .044" thick panel
- Partial rollover nailing hem
- Teardrop lock and clip system
- Designed to withstand hurricane-force winds up to 180 mph
- Premium and Dark Colorscapes® shades feature Chromatix® technology color protection

DEEPEN DESIGN WITH COLOR.

Color is crucial to how your siding presents itself. So we pay a lot of attention to what's trending and what works. Choosing your own colors can be fun, but a bit overwhelming. So we created a color combination tool to help. Get ideas and tips at royalbuildingproducts.com/color-style/royal-color-combinations.

We develop our wide range of colors to fully express design when they're fresh, and years down the road, engineering our siding pigments to deliver vibrant curb appeal, resist fade and fend off elements day after day.

- Our proprietary Chromatix® technology color protection effortlessly maintains the look you create in a challenging outdoor environment.
- Infrared-reflecting pigments reduce heat buildup
- UV formulation with mineral-based pigments keep siding colors from fading

Colorsapes® Dark Colors

Colorsapes® Premium Colors

Colorsapes® Traditional Colors

Estate™ Colonial Beaded is not available in Colorsapes® Dark Colors. Actual siding color may vary slightly from printed brochure.

Estate™ Double 4\"

Estate™ Double 4.5\"

Estate™ Double 5\"

Estate™ Colonial Beaded 6.5\"

CHOICE

IS A BEAUTIFUL THING.

Estate™ Siding comes in straight lap, dutchlap and beaded panels, giving you the flexibility to perfectly match your vision, whether it's traditional, contemporary or elegant. All of our styles and profiles are made from durable vinyl textured with a gorgeous woodgrain. And every one of them defies the effects of time and weather.

- **Choice of D4, D45D, D5D profiles with a partial rollover hem**
 - **Also available in a single-course, Colonial Beaded profile**
 - **5/8" projection for deep shadow lines**
-

A SUSTAINABLE CHOICE IS **EVEN BETTER.**

Estate™ Siding is available in a wide selection of colors and profiles, is lightweight yet durable and never requires painting or staining. Plus it's remarkably green—from production and manufacturing to transportation and installation. Our facilities recycle virtually all scrap materials during the manufacturing process and Estate was designed so that when cut into, no hazardous materials are emitted during installation. From our facility to your home, our siding is a safe and sustainable option to choose.

- **Manufactured from recyclable and recycled materials**
- **Rivals natural cedar in overall green performance**
- **1/3 the environmental impact of fiber cement**

LOSE THE MAINTENANCE, GAIN THE WEEKEND.

All of our offerings are extremely low maintenance and require no painting. Compare that to competitive technologies like wood, fiber cement and engineered wood, which all require painting at some point in their lifetimes.

- **Virtually maintenance free**
 - **Never needs painting**
 - **Won't flake, chip, rot or sag**
-

LIVE EASY FOR THE LONG HAUL.

Our Double Lifetime Warranty provides full coverage to both the first and second owner, while other vinyl manufacturers often prorate their warranties for the second owners. Our warranty is facilitated by the strength of our innovation and technology, which creates real peace of mind and can equate to improved resale value for the first owner.

- **Industry-leading Double Lifetime Warranty**
- **Strong resale value**

ACHIEVE YOUR DREAM HOME.

Achieving the exterior that expresses your home the way you want it takes time, thought and the right combination of siding, trim, accents, color and dimension. But the experience doesn't have to be painstaking or frustrating.

Timberline[®]HDZ[®]

High Definition[®] Lifetime[†] Shingles

As featured on *This Old House*, the Timberline HDZ[®] shingles installed here are Oyster Gray.

Millions of families have found shelter and peace of mind under a Timberline[®] roof.

And now, a good thing just got even better again.

We protect what matters most[™]

It's never just a roof. It's a promise, kept.

Providing a home means making a promise — of shelter, security, and stability. It says to the people who count on you, "You're going to be safe, dry, and warm under this roof."

Choosing a Timberline HDZ® roof is a great way to help keep that promise.

It's our first shingle ever to come with patented LayerLock® Technology. That means it's engineered for the best possible installation.

It's a shingle that helps your roofer do their best work

LayerLock® Technology strengthens the bond between layers of your Timberline HDZ® shingles. To help your roofer give you the best possible installation. And to help you rest easy when the wind is howling outside.

Here's how it works:

The strength added by LayerLock® Technology allowed GAF to create the StrikeZone® nailing area — the industry's widest nail zone — which offered 99.9% nailing accuracy in our test.¹

LayerLock® Technology also powers the industry's first wind warranty with no maximum wind speed limitation. Timberline HDZ® shingles are eligible for the WindProven™ Limited Wind Warranty when installed with the required combination of four qualifying GAF accessories.²

¹ Results based on study conducted by Home Innovation Research Labs, an independent research lab, comparing installation of Timberline HD® shingles to Timberline HDZ® shingles on a 16-square roof deck using standard 4-nail nailing pattern under controlled laboratory conditions. Actual results may vary.

² 15-year WindProven™ Limited Wind Warranty on GAF shingles with LayerLock® Technology requires the use of GAF starter strips, roof deck protection, ridge cap shingles, and leak barrier or attic ventilation. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. For installations not eligible for the *GAF WindProven™ Limited Wind Warranty*, see the *GAF Shingle & Accessory Limited Warranty*.

It's a system, built to protect

A Timberline HDZ® roof is so much more than shingles. It's layers of protection, working together to help keep your home safe from rain, snow, sun, and wind.

In fact, installing 4 qualifying GAF accessories — GAF starter strips, roof deck protection, ridge cap shingles, and either leak barrier or attic ventilation — in one roof system makes Timberline HDZ® shingles eligible for the WindProven™ Limited Wind Warranty.¹

Timberline HDZ® shingles also feature GAF time-release algae-fighting technology, for long-lasting algae-fighting power, and come with a 25-year StainGuard Plus™ Algae Protection Limited Warranty against blue-green algae discoloration.²

Visit gaf.com/LRS for qualifying GAF products.

LayerLock® Technology mechanically fuses the common bond between overlapping shingle layers. The added strength at the common bond powers the StrikeZone® — the industry's widest nailing area.

¹ 15-year WindProven™ Limited Wind Warranty on GAF shingles with LayerLock® Technology requires the use of GAF starter strips, roof deck protection, ridge cap shingles, and leak barrier or attic ventilation. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. For installations not eligible for the GAF WindProven™ Limited Wind Warranty, see the *GAF Shingle & Accessory Limited Warranty*.

² 25-year StainGuard Plus™ Algae Protection Limited Warranty against blue-green algae discoloration is available only on products sold in packages bearing the StainGuard Plus™ logo. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions and qualifying products.

The GAF Lifetime[†] Roofing System

Ridge Cap Shingles
Helps defend against leaks at the hips and ridges

Attic Ventilation
Helps reduce attic moisture and heat

Lifetime⁺ Shingles
Helps beautify and protect for years to come

Starter Strip Shingles
Helps guard against shingle blow-offs

Roof Deck Protection
Helps shield the roof deck from moisture infiltration

Leak Barrier
Helps prevent leaks caused by wind-driven rain and ice dams

Install any GAF Lifetime[†] shingle and at least 3 qualifying GAF accessories and get a Lifetime[†] Limited Warranty on your qualifying GAF products plus

non-prorated coverage for the first 10 years. For even stronger coverage, ask your GAF factory-certified contractor[†] about enhanced GAF warranties.

[†] Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime shingles only. See the *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. Lifetime coverage on shingles and accessories requires the use of any GAF Lifetime shingle and at least 3 qualifying GAF accessories. See the *GAF Roofing System Limited Warranty* for complete coverage and restrictions. For installations not eligible for the *GAF Roofing System Limited Warranty*, see the *GAF Shingle & Accessory Limited Warranty*. Visit gaf.com/LRS for qualifying GAF products.

[†] Contractors enrolled in GAF certification programs are not employees or agents of GAF, and GAF does not control or otherwise supervise these independent businesses. Contractors may receive benefits, such as loyalty rewards points and discounts on marketing tools from GAF for participating in the program and offering GAF enhanced warranties, which require the use of a minimum amount of GAF products. Your dealings with a Contractor, and any services they provide to you, are subject to the *Contractor Terms of Use*. Visit gaf.com/gaf-contractor-terms-of-use for details.

Weathered Wood

The perfect neutral color, Weathered Wood complements a broad range of hues and works well with sage, cream, ivory, and beige.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Charcoal

Charcoal is the most neutral of shades, and works wonderfully with blues, grays, whites, yellow, gold, sage, and green.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Pewter Gray

Pewter Gray can add dramatic counterpoint to contemporary exterior color palettes, as well as to stucco or brick facades.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Barkwood

The neutral brown Barkwood emulates wood and coordinates well with warm colors like beige, taupe, cream, gold, and yellow.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Shakeswood

An appealing blend of browns, tans, and gold, warm radiant Shakeswood pairs equally well with neutral beige and clay tones, as well as deeper jewel tones.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Hickory

An inviting brown shade with a red undertone, Hickory is an excellent companion to brick and stone homes and works well with browns, beiges, yellows, and golds.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Slate

A cool gray with a beautiful green undertone, Slate coordinates well with both grays and greens, as well as with white, cream, and ivory exteriors.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Mission Brown

Emulating the rustic shades and tones of the earth, Mission Brown provides a simple natural backdrop that allows other colors to appear richer and brighter.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Hunter Green

A rich color with dramatic undertones, Hunter Green makes people take notice.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Nantucket Morning

Harvest Blend Color

Features cool gray tones that partner perfectly with blues and grays.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Photo credit: Jared Kuzia for This Old House,
or @jaredkuziaphotography and @thisoldhouse

Appalachian Sky

Harvest Blend Color

Appalachian Sky offers a subtle variety of dark grays, black, and browns, bringing appealing definition to homes with brick facades.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Golden Harvest

Harvest Blend Color

A striking color that provides warmth to almost any siding or brick, this blend also offers exceptional contrast, for a light, yet colorful roof.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Cedar Falls

Harvest Blend Color

The clay-colored background and subtle gray highlights create a refined and polished look that offers a wonderful complement to stone.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

The protective layers of a Timberline HDZ® shingle

Product/System Specifics

- Fiberglass asphalt construction
- Dimensions (approx.): 13 1/4" x 39 3/8" (337 mm x 1,000 mm)
- Exposure: 5 5/8" (143 mm)
- Bundles/Square: 3
- Pieces/Square: 64
- StainGuard Plus™ Algae Protection Limited Warranty¹
- Hip/Ridge: TimberTex®³; TimberCrest®; Seal-A-Ridge®; Z®Ridge; Ridglass®
- Starter: Pro-Start®; QuickStart®; WeatherBlocker™

Applicable Standards & Protocols:

- Passes UL 2218 Impact-Resistance Test with Class 3 rating
- State of Florida approved
- Classified by UL in accordance with ICC-ES AC438
- Meets ASTM D7158, Class H
- Meets ASTM D3161, Class F
- Meets ASTM D3018, Type 1
- Meets ASTM D3462²
- Miami-Dade County Product Control approved
- ICC-ES Evaluation Reports ESR-1475 and ESR-3267
- Meets Texas Department of Insurance Requirements
- Birchwood, Copper Canyon, and Golden Amber are rated by the CRRC; Can be used to comply with 2022 Title 24 Part 6 Cool Roof Requirements of the California Code of Regulations.

¹ 25-year StainGuard Plus™ Algae Protection Limited Warranty against blue-green algae discoloration is available only on products sold in packages bearing the StainGuard Plus™ logo. See GAF Shingle & Accessory Limited Warranty for complete coverage and restrictions and qualifying products.

² Periodically tested by independent and internal labs to ensure compliance with ASTM D3462 at time of manufacture.

³ Harvest Blend colors are only available on TimberTex® and Seal-A-Ridge®.

TimberTex® and TimberCrest® Premium Ridge Cap Shingles

Hip & ridge cap shingles accentuate the natural beauty of your architectural shingle roof. They're the perfect finishing touch that helps defend against leaks at the hips and ridges.
gaf.com/ridgecaps

TimberTex® Premium Ridge Cap Shingles

TimberCrest® Premium SBS-Modified Ridge Cap Shingles

TimberTex® and TimberCrest® premium ridge cap shingles are designed to complement the color of your Timberline® shingles. To ensure the closest color consistency for your roof, ask your contractor to use genuine TimberTex® or TimberCrest® premium ridge cap shingles.¹

- Accentuate the beauty of your newly installed shingle roof
- Protect against leaks and blow-offs at the hip and ridge areas of your roof
- Complement the color of your GAF shingles with hip and ridge cap shingles manufactured by GAF
- 25-year StainGuard Plus™ Algae Protection Limited Warranty² against blue-green algae discoloration uses GAF time-release algae-fighting technology to help protect your ridge cap shingles from unsightly stains.

Also available¹

Z®Ridge

Seal-A-Ridge®

¹ These products are not available in all areas. See gaf.com/ridgecapavailability for details.

² 25-year StainGuard Plus™ Algae Protection Limited Warranty against blue-green algae discoloration is available only on products sold in packages bearing the StainGuard Plus™ logo. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions and qualifying products.

America's #1-selling shingle just got better — *again.*

GAF Timberline HDZ®
High Definition® Lifetime® Shingles

Here's why Timberline HDZ® shingles are our most popular shingle. First, LayerLock® unlocks our WindProven™ Limited Wind Warranty with no maximum wind speed limitation when installed with the required combination of GAF accessories.¹ Second, our time-release algae-fighting technology unlocks our 25-year StainGuard Plus™ Algae Protection Limited Warranty² against blue-green algae discoloration. Add GAF hip and ridge cap shingles and starter strips with the StainGuard Plus™ Algae Protection Limited Warranty² for protection from eave to ridge.

Offer your customers Timberline HDZ® — the shingle that just keeps getting better. Only from GAF.

WHAT IS “DUTCH” QUALITY?

It is craft shaped by a code. A way jobs are done. And a devotion to doing them. With patience and persistence. Reverence and honor. Amish values and a pioneer's spirit.

A belief in hard work, tempered skills and straightforward solutions. Good boots, frank talk and calloused hands.

A belief in beauty and quality and value.
In perfect, balanced measures.

A belief shared by every mason and yardhand. Every soul who builds with us and backs us up. Forging a common bond that isn't all that common anymore.

Dutch Quality is our name, but it is so, so much more.
It is a pledge. It is our word. And it is set in stone.

OUR PRODUCTS

With equal parts pride and precision, Dutch Quality craftsmen create a wide selection of stone styles, colors and sizes — even thoughtfully designed accessories — for your interior, exterior, residential and commercial projects.

Our original master molds are meticulously crafted to capture the rich beauty and complex character of natural stone. It's a process that requires both art and technology.

Not to mention, the steadfast support of our customers. With customer service that's as finely hewn to the values of “Dutch” quality as our products. It's our solemn commitment: To make certain we're always aligned with your project, budget and timing. And above all, your style.

Otherwise, it just wouldn't be Dutch Quality Stone®.

HANDFORMED BRICK™

HEIGHT: 2 1/2" x LENGTH: 8 3/4"

Presenting an elevated tumbled brick design and configuration. Each piece is molded with exquisite variation and robust dimension to bring textured depth and artisanal charm to any space.

“For more than two decades, Dutch Quality has built a reputation for producing a fine quality product. Their consistency in style, coloring and packaging makes them pleasing to both the eye of the customer and the hand of the mason.”

- Shawn Wittmer
Rock Solid Cut Stone & Supply

COAL CREST™

QUAIL GREY™

SNOWPACK™

SNOWPACK HANDFORMED BRICK

WEATHERED PLANK 4 & 6

HEIGHT: 4" OR 6" x LENGTH: 36"

Molded to precisely capture the grain and character of natural, reclaimed barn wood — but with all the beauty, quality and value you expect from Dutch Quality Stone. Combine 4" and 6" planks to add true rustic charm.

WINESBURG WEATHERED PLANK 4 & 6

DUTCH QUALITY STONE® FOR COMMERCIAL

Our commitment to time-honored craft doesn't end at the home. No way. Dutch Quality Stone offers a wide selection of stone veneer styles to add beauty, character and eye-catching detail to every commercial application. Without the engineering and budget demands associated with natural stone. How? Our production team carefully mixes old-fashioned craftsmanship and advanced technology, so that high-volume orders are quickly fulfilled to meet our exacting standards. And yours. To keep you on time and on budget — while capturing attention, inviting foot traffic and maximizing property value. Anything else just wouldn't be Dutch Quality.

WARRANTY

Dutch Quality Stone® Inc., warrants, subject to the terms and conditions of the full written warranty, that its manufactured concrete products shall be free from defect in materials, manufacturing, and workmanship for a period of 50 years from the date of purchase. The manufacturer will not be liable for any cracked or damaged product due to mishandling, building settlement, improper installation, discoloration due to airborne contaminants, or acts of God beyond the control of the manufacturer. This warranty is limited to the original purchaser and may not be transferred. (Complete manufacturer's warranty is available on our website: dutchqualitystone.com)

Additional Notes

Just as natural stone will vary in color, Dutch Quality Stone will reflect some degree of variation in color.

Actual stone color may vary from brochure. It may also vary from existing structures.

Veneer stone is not intended for and will not hold up to foot traffic.

Like any other cement product, under certain weather temperatures and conditions, stone may have signs of efflorescence.

Just as natural stone shows signs of scuffing, occasionally Dutch Quality Stone will have light scuffing.

With proper handling, there should not be heavy scuffing.

Dutch Quality Stone is not responsible for discoloration due to run-off from adjacent building materials.

Because Dutch Quality Stone® replicates natural stone, variations should be expected. Even though colors in this brochure are as close to the actual stone as possible, photographic and printing techniques—and actual viewing conditions—can alter perception of color. We recommend obtaining a sample of Dutch Quality Stone before placing an order.

If you would like more information on prices, availability of stone, the name of your local distributor, or answers to any questions not covered in this brochure, please contact us. We are happy to assist you with your stone building plans. Detailed installation instructions, specifications, technical information, and test data are available on our website at: dutchqualitystone.com.

Dutch Quality Stone, 18012 Dover Road, Mt. Eaton, Ohio 44659

PH: 330.359.7866 FAX: 330.359.5990 877.359.7866

Dutch Quality Stone meets or exceeds all ICC acceptance criteria. See ICC-ES Evaluation Report No. 1942 at www.icc-es.org.

BE BOUNDLESS™

THE PRODUCTS TO DO EVERYTHING. THE POWER TO DO EVEN MORE.

We're answering "what ifs" on a whole new level—from the solutions we create to the dreams we build. We have the tools and technology to tell design stories on a bigger scale and on a more personal level. There are no limits to how far we innovate, how deeply we express, how strongly we commit and how boldly we go.

Together let's Be Boundless™.
