

**AN ORDINANCE AMENDING CHAPTER 1480, “INTERNATIONAL PROPERTY MAINTENANCE CODE” OF THE CODIFIED ORDINANCES OF THE CITY OF HUDSON REGARDING ABATEMENT OF WEEDS OR TALL GRASSES.**

WHEREAS, the City’s existing property maintenance regulations stipulate that the owner, occupant, or person having the charge or management of any lot or parcel in a platted and improved subdivision that contains noxious weeds or tall grasses must abate said conditions upon five days notice from the City; and

WHEREAS, if the owner, occupant, or person having the charge or management of any lot or parcel in a platted and improved subdivision fails to timely abate the above described noxious weeds and/or tall grasses, then the City is authorized to enter on to the lot or parcel and cut or destroy such noxious weeds and/or tall grasses; and

WHEREAS, when the City enters on to a lot or parcel to cut or destroy any noxious weeds or tall grasses, the City is further authorized to bill the costs of such cutting or destruction to the owner, occupant, or person having the charge or management of the lot or parcel and if the same is not paid within thirty days, then such amount may be certified to the County Fiscal Officer for collection as other taxes and assessments are collected (or the City may seek recovery of such costs by civil action); and

WHEREAS, Code Enforcement and Community Development Staff have identified that the current property maintenance regulations concerning noxious weeds and tall grasses only apply to parcels or lots in a platted and improved subdivision within the City and, therefore, do not apply to all parcels and lots uniformly within the City; and

WHEREAS, Code Enforcement and Community Development Staff have recommended that Section 1480.04(g) of the Codified Ordinances be amended in order to provide for uniform, city-wide application of the City’s property maintenance code concerning the abatement of noxious weeds and tall grasses on all parcels and lots within the City’s corporate boundaries; and

WHEREAS, this Council finds and concludes that it is in the best interest of the health, safety and welfare of the City to amend the Codified Ordinances of the City of Hudson as set forth herein for the purposes described above.
