### Memorandum

To: Elizabeth Slagle, Clerk of Council  
From: Jeff Prochnow - Code Enforcement officer  
Date: March 25, 2013  
Reference: Request for continuation of an agricultural application use.

The Community Development Department has reviewed the application of Clyde and Karen Rardin for the designation of 17.76 acres of land for agricultural use for real estate tax purposes (O.R.C. 929.02). These properties are located at 2790 Ravenna Street and consist of 3 parcels (3002388, 3002389 and 3002034) and all parcels have the same mailing address of 2790 Ravenna Street. The properties consist of house, barn and agricultural uses of crop land and cash grain for general farm use. The existing uses appear to be consistent with the intent of the Ohio Revised Code. I visually inspected the property and found the above agricultural uses are consistent with the application being submitted to the Summit County Auditor.

*The mission of the Hudson City Government is to serve, promote and support, in a fiscally responsible manner, an outstanding community that values quality of life, a well-balanced tax base, historic preservation with a vision to the future and professionalism in volunteer and public service.*
