Re: Request for continuation of an Agricultural District application 5457 Stow Rd

The Community Development Department has reviewed the application of Jann Poulton for the designation renewal of 14.37 acres of land for agriculture use for tax purposes (O.R.C. 929.02). This land is located at 5457 Stow Road Permanent Parcel numbers 3000724.

The existing uses appear to be consistent with the intent of the Ohio Revised Code and consistent with the uses and improvements documented with the previous application in 2020. I visually inspected the property and found the above agricultural uses are consistent with the application being submitted to Summit County Auditor. The use of the site being devoted to an agricultural purpose is permitted within the Land Development Code.
