**FROM:** Nick Sugar, City Planner  
Brad Kosco, City Engineer  
**RE:** 2024 Safe Routes to School Travel Plan

### **Overview**

The Safe Routes to School Travel Plan was last updated in 2011. In 2023, the City received a grant from the Ohio Department of Transportation (ODOT) to develop a new School Travel Plan. A core team was selected to guide the effort, consisting of representatives from Hudson City Schools, City Council, and City Staff. With the assistance of an engineering traffic safety consultant, the new School Travel Plan was recently completed.

### **Update**

The plan was discussed at the August 27, 2024 City Council Workshop. Staff has made the following minor updates based on the discussion:

- The introduction on page 5 has been edited to clearly state the Safe Routes plan will not conflict with other long range city plans.
- Labeling errors have been addressed between the recommendations and maps on pages 44-51.
- The 2011 Safe Routes to School Travel Plan has been attached for reference.
