1. Call to Order

Mayor Anzevino called to order the workshop of Hudson City Council at 7:30 p.m., in accordance with the Sunshine Laws of the State of Ohio, O.R.C. Section 121.22, and he handed the workshop over to President of Council Foster, in accordance with Council Rules.

Present: 6 - Dr. Bird, Mr. Foster, Dr. Goetz, Mrs. Heater, Mrs. Kowalski and Mr. Sutton

Absent: 1 - Mr. Banweg

Others & Staff in Attendance: Mr. Sheridan, City Manager; Mr. Hannan, Community Development Director; Mr. Knoblauch, Assistant City Manager - Financial/Special Projects; Mr. Kosco, City Engineer; Mr. Leiter, HCTV Production Assistant; Mr. Powell, Public Works Director; Mrs. Tussey, Assistant Finance Director; and Mr. Varnes, Fire/EMS Chief.

2. Correspondence and Council Comments

Mayor Anzevino thanked Colin from Celiac-ing Around for contributing to the community fundraiser and for being recognized at the Farmer's Market as a young entrepreneur. He also shared that he will be attending the upcoming kick-off meeting in Stow for the 2025 Cold Weather Clothing Drive and will be submitting his article for the November's edition of the Mayor's column in Hudson Life.

Mr. Foster provided an update on the Planning Commission meeting that was held on October 13, 2025.

3. Discussion Items

A. [25-0119](#) Fire and EMS Follow-Up Discussion

Brief Description: This is a follow-up discussion after the implementation of the new hybrid staffing model.

Chief Varnes provided an update on the daytime staffed Fire Department model that began on July 7, 2025 and

stated that they have seen an improvement on response time by 6 minutes and 15 seconds. He further provided an update on the Fire/EMS remodel design. Brief Council discussion followed.

This matter was discussed.

- B. [25-0120](#) **A Discussion of a Potential Battery Energy Storage Solution (BESS) Project for the City's Municipal Electric System.**
Brief Description: Staff will present information regarding a potential BESS exclusively for the City's municipal electric system. The system would be constructed, owned, and operated by a private company and be constructed on the property north of the HPP Eastside Substation on Stow Rd.

Mr. Powell provided information related to the Battery Energy Storage Solution which is proposed to be installed next to Hudson Public Power Substation on Stow Road. Details included system benefits, installation methods, and noise generated. He further asked Council if they would like staff to move forward with soliciting RFP's for this storage solution. Council discussion followed that included conducting a noise study, exit clause for the shared savings agreement, is 35/65 split typical, and other costs to City.

This matter was discussed.

- C. [25-0121](#) **Capital Plan Review - 2026-2030 Five-Year Plan**
Brief Description: Staff will present 2026-2030 Five Year Plan Capital for all funds.

Mr. Sheridan stated that due to the decline in income tax revenues, he is recommending that the sidewalk projects scheduled for 2026 and beyond be put on hold with focus being put on storm water projects. He also mentioned that staff has removed the pedestrian bridge over the Turnpike from the budget. Mr. Knoblauch presented the 2026 Capital budget, provided an overview of projections for income tax and property taxes, along with a breakdown of major expenses across various funds. Council discussion followed that included moving the S. Main Street Sidewalk from Barlow to Terex to unfunded; reviewed cost details for N. Main Street Pedestrian Hybrid and mid-block crosswalk removal, Veterans Rails to Trails project, and the 10' Trail along E. Barlow; details related to a dog run; Middleton Park study; fire hydrant installation; Franklin Street waterline replacement; Towbridge electric system expansion; public Wi-Fi; dispatch work station; and Tyler CAD System.

This matter was discussed.
