Mrs. Carr stated that future signs for this building should incorporate the same colors. Mr. Zirbel said that colors should not be dictated by the board.

Mr. Mitalski moved to approve the application as revised with the following additional conditions:

- a) a sign plan for the building to include a single color background, a limited number of letter colors and the same light fixture if incorporated
- b) revise the building elevation to depict the canopy roof, walkway and the revised sign location

Mr. Brown seconded the motion.

Roll Call:     Aye:  Mr. Brown, Mr. Mitalski, Mr. Wyatt and  
                  Mr. Zirbel  
                  Nay:  Mrs. Carr  
                  Motion carried
