

Hudson Historic District Survey

Dear Resident,

The City of Hudson is studying the viability of expanding the Historic District based on interest expressed from residents. Your neighborhood has been identified as a candidate to be included in this effort. For reference, a map of the study area is included on the reverse side of this letter.

I ask that you please complete an online survey regarding your interest in this effort. The survey is being completed as a follow up to our information meeting on July 17, 2019. Staff anticipates collecting the survey results and presenting to City Council to determine if a formal expansion project should be considered. A formal expansion process would then require notification to all effected property owners and conducting of public hearings by both the Planning Commission and City Council prior to any formal action to establish the expansion.

The survey can be accessed either through the following website link or QR code:

Preservation is a collaborative effort between the city and its residents. Your response is crucial, as it will determine the viability of this effort.
