Attached are the September month end financial reports. The reports include the following:

- 1. <u>Executive Summary</u> of the City's major funds comparing current year-to-date revenues and expenditures to prior year-to-date and current budget figures.
- 2. <u>Supplemental Schedules</u> includes comparison of income tax revenue to prior year as well a breakdown by revenue type. As requested, we included a separate schedule for Velocity Broadband year to date financial results as compared to the Business Plan approved by City Council in February 2019.
- 3. <u>Statement of Cash Position</u> with Monthly and Year to Date revenue and expense totals by fund.
- 4. <u>Bank Report</u> and <u>Bank Reconciliation</u> has been included to summarize the investment instruments on which the City earns interest income and the monthly bank reconciliation.
- 5. <u>Utility Billing Delinquency Report</u> past due balances, accounts turned over to collections and accounts certified to Summit County.

The graph below is the budgetary status of key revenue sources. If the revenue source is below estimate due to a timing difference or if the net cash flow is positive due to reduced or deferred expenses, we do not show as being below estimate.

SUPPLEMENTAL SCHEDULE FOR SEPTEMBER 2020 FINANCIAL REPORT

INCOME TAX REVENUE:

Income Tax revenues in the <u>General Fund only</u> are \$81,000 higher through September 2020 vs. September 2019 and \$27,000 below estimate. Through the end of September 2020, Withholding taxes are up 0.6%, Individual taxes are down 5.6% and Net Profit taxes are down 10.1%. Including Parks, Fire, EMS and Hudson Schools, income taxes are up \$83,000 or .4%.

We realized a large increase in income tax collections for August and September due to the collecting deferred revenue that was caused by the income tax filing deadline extension from April 15 to July 15. Withholding taxes are running slightly higher as we have not experienced significant declines from our major employers. When we combine the income tax from net profit that flowed through the State, our net profit tax is up over prior year. We will continue to monitor the Individual tax collections to determine if those collections are expected to recover.

YEAR TO DATE COLLECTION COMPANY RECEIPTS

(1) "ACCOUNTS RECENTLY CLOSED" - accounts that have been closed and City staff is attempting to collect the balance due. If City staff is unable to collect on the account, it is turned over to a collection agency to pursue. The large increase for April 2017 was due to a large commercial company that recently closed. Staff is working with the building owners on a payment arrangement for the balance due.

\$0.00

(2) "TOTAL YEAR TO DATE ACCOUNT WRITE-OFF'S" - Include accounts or amounts written off due to uncollectability, bankruptcy, or collection company fees.
