

A RESOLUTION AUTHORIZING THE CITY MANAGER TO ADVERTISE FOR COMPETITIVE BIDS FOR A FLOW METER PROJECT ON STATE ROUTE 303; AND DECLARING AN EMERGENCY.

WHEREAS, there is a critical need to install a flow sensor meter inside of a manhole on the City’s water line serving areas in the Village of Boston Heights in order to detect breaks or leaks in the line that would result in a critical loss of water to the City’s water system.

NOW, THEREFORE, Be It Resolved by the Council of the City of Hudson, Summit County, State of Ohio, that:

Section 1: The City Manager is authorized to advertise for a period of at least once a week for two consecutive weeks in a newspaper of general circulation within the municipality, requesting the submission of bids in accordance with the specifications as supplied by the City Engineer.

Section 2: The City Manager is further authorized and directed to return all certified checks and bid bonds submitted by the unsuccessful bidders.

Section 3: This Resolution is declared to be an emergency measure necessary for the immediate preservation of the public health, safety and welfare of the citizens of the City, and for the further reason that it is immediately necessary to install a flow sensor meter inside of a manhole on the City’s water line serving areas in the Village of Boston Heights in order to detect breaks or leaks in the line that would result in a critical loss of water to the City’s water system; wherefore, this Resolution shall be in effect immediately upon its passage provided it receives the affirmative vote of five members of Council, except that six affirmative votes shall be required if all members are present; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

PASSED: _____

William A. Currin, Mayor

ATTEST:

Elizabeth Slagle, Clerk of Council

I certify that the foregoing Resolution was duly passed by the Council of said Municipality on _____, 2013.

Elizabeth Slagle, Clerk of Council
