Memorandum

To: Elizabeth Slagle, Clerk of Council
From: Jeff Prochnow - Code Enforcement Officer
Date: February 4, 2014
Reference: Request for Continuation of an Agricultural Application Use

The Community Development Department has reviewed the application of Joseph H. Stribrny for the designation of 106.0474 acres of land for agricultural use for real estate tax purposes (O.R.C. 929.02). These properties are located at 5578 Shawnee Trail and consist of 8 parcels (30-09602, 30-02989, 30-02990, 30-09598, 30-09599, 30-6766, 30-09600, 30-09601) and all parcels have the same mailing address of 5578 Shawnee Trail. The properties consist of house, barn and agricultural uses of tree farm and farm animals. The existing uses appear to be consistent with the intent of the Ohio Revised Code and are not inconsistent with City of Hudson Land Development Code. I visually inspected the property and found the above agricultural uses are consistent with the application being submitted to the Summit County Auditor.

The mission of the Hudson City Government is to serve, promote and support, in a fiscally responsible manner, an outstanding community that values quality of life, a well-balanced tax base, historic preservation with a vision to the future and professionalism in volunteer and public service.
