City Council
William Wooldredge
1140 Terex Road
Hudson, Ohio 44236

Dear Mr. Wooldredge and Staff,

American Fireworks is writing to formally request the City Council to commence a Land Development Code text amendment. The request is specifically to establish American Fireworks facility as a "conditional use" status rather than the "non-conforming use" status that was given to us after we had already been established for over 80 years. As you may or may not know, American Fireworks Company has been in business for over 119 years. American Fireworks has called Hudson its home from the inception and would like to continue calling it home for many generations to come. In closing, I truly want to thank you in advance for your time and if there are any questions at all, please feel free to reach out at any time.

All the BEST,

Roberto Sorgi
