

# Boards and Commissions

Simplified board management  
for local government

## Easily Manage Advisory Boards and Fill Seats Faster

An end-to-end board management solution for municipalities and counties, Boards and Commissions helps clerks and board liaisons save hundreds of hours each year while filling board seats with qualified candidates faster.

### The Boards and Commissions Advantage

- Sleek and intuitive design makes it easy to learn
- Flexible configuration to mold to your specific needs
- Built-in email automation reduces repetitive work
- Advanced permissions settings enhances security and streamlines task management
- Accessible design ensures everyone has equal access to board information
- Integrates with govMeetings agenda management solutions VoteCast, govDelivery, and more.

### What If You Could...

- ✓ **Save staff time** by automating manual board management tasks and communications?
- ✓ **Increase qualified applicants** and fill board positions faster?
- ✓ **Improve transparency and accessibility** by ensuring your webpage is up to date and compatible with sight readers?

“ For the first time, we’ve been able to fill each board position before it expired — up to 98%! ”

Bobbi Pirkola, City Clerk, Duluth, Minn.

## With Boards and Commissions You Can...

### Simplify the board management process

- Get an instant view of board position statuses, member demographics, and upcoming vacancies with an intuitive dashboard.
- Narrow in on qualified candidates automatically.
- Instantly generate reports on candidates, vacancies, boards, appointments and more.
- Customize and automate board-related emails to eliminate manual email communications and complete required documentation faster.
- Automatically update your boards and commissions web page in real-time - without the need for IT resources.

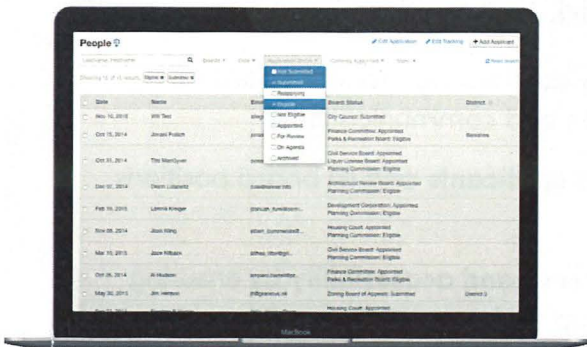

### Make applying easy, fill seats faster

- Display and promote vacancies on your existing website in real time.
- Accept applications online with the ability to attach all required documentation.
- Allow applicants to save applications and complete in multiple sessions.
- Remind applicants when an application is abandoned.
- Easily process, share, and manage applications.

### Securely store and track board data in the cloud

- Move board records online for secure, accessible storage—applications, reports, and documents.
- Track board and member statistics, such as demographics.
- Make budgeting easy with unlimited data, boards and users.
