Memorandum

To: Elizabeth Slagle, Clerk of Council
From: Jeff Prochnow - Code Enforcement officer
Date: March 1, 2013
Reference: Request for continuation of an agricultural application use.

The Community Development Department has reviewed the application of Warren and Darlyne Roller for the designation of 9.27 acres of land for agricultural use for real estate tax purposes (O.R.C. 929.02). These properties are located at 696 Terex Road and consist of 2 parcels (3002446 and 3002445) and both have the same mailing address of 696 Terex Road. The properties consist of house, barn and agricultural uses of pasture and farm animals. The existing uses appear to be consistent with the intent of the Ohio Revised Code. I visually inspected the property and found the above agricultural uses are consistent with the application being submitted to the Summit County Auditor.
