SPANISH 13 1/4" BARREL TILE

One of the most popular profiles in Ludowici’s Legacy Collection, Spanish tile is prized for its simple, one-piece barrel design which provides a pattern of distinctive ripples across a roof. Spanish 13 1/4" tile provides an authentic, old European look to any style of architecture from small bungalows to large public institutions. Spanish tiles have a smooth surface, but may be customized with a number of custom textures. Our Spanish tiles are available in all standard and custom colors, mists and blends offered by Ludowici. See the *Colors of Ludowici* brochure for more information about our extensive color program. Ludowici Spanish barrel tile is also available in an 18 3/8" profile.

Ludowici reserves the right to alter and adjust products, colors and finishes at any time. Please contact a sales representative for more information.

House Roof and Gutter

Detached Garage Current Roof

A photograph of a detached house with a red shingled roof and a light-colored stucco exterior. The house has two windows with white frames and vertical bars. A satellite dish is mounted on the wall between the windows. A brick chimney is visible on the roof. The background shows bare trees and a blue sky with a few clouds. The text "Detached West Side" is overlaid on the roof.

Detached West Side

A photograph of a light-colored, detached house with a gabled roof. The house features three windows: a small, square window centered in the gable and two larger, double-hung windows with white frames and vertical bars, positioned on the main level. The roof has decorative brackets under the eaves. The house is set against a blue sky with scattered white clouds. Bare trees are visible in the background, and a paved driveway or walkway is on the right. A satellite dish is visible on the left side of the house. The text "Detached West Side" is overlaid in white, bold font in the center of the image.
