Mr. Dana Zahuranec, 2161 Ravenna Street, commented on: 1) When individuals point to objects on the television screens that some type of pointer should be used that shows up on all the screens. 2) Regarding the sidewalk along Ravenna Street, Mr. Zahuranec believes the LDC does not meet the needs of this area, and requested a waiver for the church regarding the sidewalk or payment-in-leu. 3) Questioned if neighbors on Ravenna Street, along the path of the new sanitary sewer, will be required to connect to the sewer. 4) Expressed concern that the retention pond will have poor percolation and become a mosquito breeding area.

The Commission discussed: 1) Light coming from the large windows facing Ravenna Street and stated the City Engineer may wish to consider this in his final report. 2) Encouraged payment-in-leu for the sidewalk.
