

FISCAL OFFICER'S CERTIFICATE

TO THE COUNCIL OF THE CITY OF HUDSON, OHIO:

As fiscal officer of the City of Hudson, Ohio, I certify in connection with your proposed issue of bonds in the maximum principal amount of \$5,000,000 (the Bonds) for the purpose of paying costs of improving City streets by reconstructing, resurfacing, widening, improving, grading, draining, curbing, paving, constructing storm sewers and related drainage facilities and making other improvements as designated in the plans approved or to be approved by Council, together with the necessary related improvements and appurtenances thereto (the improvement), that:

1. The estimated life or period of usefulness of the improvement is at least five years.

2. The estimated maximum maturity of the Bonds, calculated in accordance with Section 133.20 of the Revised Code, is 20 years, being my estimate of the life or period of usefulness of those improvements. If and to the extent a portion of the proceeds of the Bonds may be determined to be allocated to a class or classes having a maximum maturity of less than 20 years but in excess of five years, then the maximum maturity of the Bonds would still be at least 20 years by reason of a sufficient portion of the proceeds of the Bonds allocated to a class or classes having a maximum maturity or an estimated period of usefulness in excess of 20 years.
