

Email/memo with Proposal from RAC:

Good afternoon! Attached please find my proposal, abridged CV, and proof of insurance. As a small home-based business I do not think that I need workman's compensation because I only have sub-contractors, not employees. If I am awarded this contract, then I will look into it if it is absolutely necessary, for legal reasons.

I would also like to provide you with some previous reports that I have written. However, as I state in the proposal, they are really the property of previous clients so they must not be shared. Rather than sending them as attachments, I am going to give you access to a one-drive folder that has them. Here is the link to that folder: <https://1drv.ms/u/s!An7OtnuaCxHxgYFinn8MDiTU2FQLtg?e=LGHfyk> Please let me know if you have problems opening it.

This project is interesting! I do hope we are able to work on it together in the near future. Feel free to contact me should you have any questions about what I have proposed.

My Best, Cindy
