Mrs. McMaster explained the new format of the written staff report.

Mrs. McMaster introduced the application to construct a proposed free standing building with retail space on the first floor and offices on the second floor. A lot split for the parcel resulting in two lots is in process at Summit County. The parking agreement is in process but cannot be recorded until the lot split is recorded and complete. Mrs. McMaster stated staff recommends approval with the conditions listed in the staff report.

Mr. Russ Marchetta, Marchetta Architectural, distributed a revised engineering site plan that incorporated the sidewalk parking and spaces to be developed on the street, as recommended by the City Engineer. Mr. Marchetta also noted that he moved the proposed building foundation back six-inches to address the revised pillar design on the front elevation.

Mr. Marchetta stated that he is in agreement and will comply with the conditions in the staff report.

In response to questions from the Commission, Mr. Marchetta stated that the remaining trees on the lot will be cut down. He also noted that the storm water plan is now being amended and showed where the current catch basins are located.

Commission members and staff discussed how the Hudson Land Development Code regulates the number of parking spaces and staff noted that the sidewalk to the north of the proposed building is to be completed by the city at the same time the building is constructed.

Mr. Marchetta and the Commission discussed the underground pipes that create the on-site water retention system that must be maintained. Following questions regarding the easement and the purpose of the easement on the property, Mr. Thom Sheridan, City of Hudson Assistant City Manager, explained the purpose of the easement was for emergency access of the underground water retention system by the city, which is standard in a contract.

Discussion of the location of the building, the land exchange, doors and windows were discussed. Mr. Marchetta explained that deliveries will be made in the rear of the building.

Chair Kagler opened the meeting to public comments. There were no public comments.

Mr. Harvey made a motion, seconded by Mr. Vitale, that the Planning Commission approved the application for a 5,472 square foot building at 44 Clinton Street, Parcel #3202053 per Case No. 2018-3897 according to plans submitted on January 15, 2019, with the condition that the applicant must address the following:

- 1. An administrative lot split application must be approved by the City of Hudson for the proposed lot split.**

2. A cross-access and shared parking easements or other acceptable agreements in language acceptable to the city's solicitor is needed for the shared parking and access.
3. The comments of Assistant City Engineer Nate Wonsick must be addressed per the January 29, 2019 correspondence.

The motion was approved by the following vote:

Aye: 5 - Mr. Chuparkoff, Mr. Harvie, Mr. Kagler, Mr. Lehman, and Mr. Vitale
