

Reworks 2012-2013 Plan Update

Operating Changes needed by the City of Hudson

1. Basically none
2. \$5 per ton charge is anticipated to remain through the life of the plan

New Issues

1. Commercial recycling efforts should be increased, but if they aren't there is no penalty.
2. Education of consumers toward single stream recycling should be increased.
3. Yard waste programs should be pursued.
4. Household hazardous waste programs are being cut back slightly.
