

Section 9

Action Plan

School Travel Plan: Safe Routes Hudson

Strategy Type	Name	Strategy Detail	Status	Time Frame	Responsible Party	% of Students Affected	Cost Estimate	Possible Funding Source
Infrastructure	Evamere Bus Staging Drive	Adding a 540' one way drive in front of Evamere to separate bus traffic from pedestrians and parent vehicles.	Proposed	Short term	Schools	20%	\$195,000	SRTS
Infrastructure	Prospect Street sidewalk	Add a 815' length of sidewalk to the south side of Prospect Street, west of Main Street to connect to sidewalks on each side and remove pedestrians from a busy street.	Proposed	Mid term	City	3%	\$120,000	STRS
Infrastructure	Middleton Road sidewalk	Add 1,700' of sidewalk to the south side of Middleton Road between Hudson Park Estates Drive and Ellsworth Hill school.	Proposed	Short term	City	3%	\$250,000	STRS
Infrastructure	North Hayden sidewalk	Add 4,450' of sidewalk to the east side of N. Hayden to direct students to enhanced crosswalks.	Proposed	Mid term	City	1%	\$190,000	STRS
Infrastructure	Glen Echo sidewalk	Add 2,900' of sidewalk to the west side of Glen Echo between Hudson-Aurora Street and Victoria Parkway.	Proposed	Short term	City	1%	\$150,000	STRS
Infrastructure	School Campus pathway	Add 850' of multi-purpose pathway from Evamere rear sidewalk north to the east-west campus drive and walkway.	Proposed	Short term	Schools	10%	\$70,000	STRS
Infrastructure	East Woods campus crosswalks	Install marked, signed crosswalks across the internal driveway in front of East Woods school on routes used by students crossing between schools.	Proposed	Short term	Schools	5%	\$12,000	STRS or Schools
Infrastructure	Ellsworth Hill pathway	Install 925 feet of multi-purpose path from the Ellsworth Hill playground area through school and subdivision open space to Parkside Drive.	Proposed	Mid term	City & Schools	1%	\$50,000	STRS
Infrastructure	School Campus driveway	Install speed feedback signs and posted speed limits on east-west campus drive between East Woods and Middle School.	Proposed	Long term	Schools	5%	\$20,000	STRS
Infrastructure	N. Hayden School flashing sign	Replace School Zone Signs at north and south ends of N. Hayden with flashing beacons during school hours.	Proposed	Short term	City	75%	\$38,000	City or STRS
Infrastructure	N. Oviatt School Zone flashing sign	Add flashing beacon School Zone signs on N. Oviatt at the Middle School.	Proposed	Mid term	City	10%	\$25,000	City or STRS
Infrastructure	Bike Racks	Replace worn and damaged bike racks with new. Estimated at \$500-\$1,000 each.	Proposed	Short term	Schools	10%	\$6,000	STRS
Infrastructure	Bike Storage	Construct roof over bike storage areas at East Woods and the Middle School. Estimated at \$10,000 each.	Proposed	Mid term	Schools	3%	\$20,000	STRS
Infrastructure	Upgrade Oviatt crosswalk at 303	Install overhead flashing crosswalk sign for additional driver warning due to heavy Rte 303 traffic and lack of vehicle gaps, keeping crossing guard.	Proposed	Short term	City	2%	\$15,000	STRS or City
Infrastructure Total							\$1.16 million
