Attached are the November month end financial reports. The reports include the following:

- 2. <u>Supplemental Schedules</u> includes comparison of income tax revenue to prior year as well a breakdown by revenue type. As requested, we included a separate schedule for Velocity Broadband year to date financial results as compared to the Business Plan approved by City Council in February 2019.
- 3. <u>Statement of Cash Position</u> with Monthly and Year to Date revenue and expense totals by fund.
- 4. <u>Bank Report</u> and <u>Bank Reconciliation</u> has been included to summarize the investment instruments on which the City earns interest income and the monthly bank reconciliation.

SUPPLEMENTAL SCHEDULE FOR NOVEMBER 2021 FINANCIAL REPORT

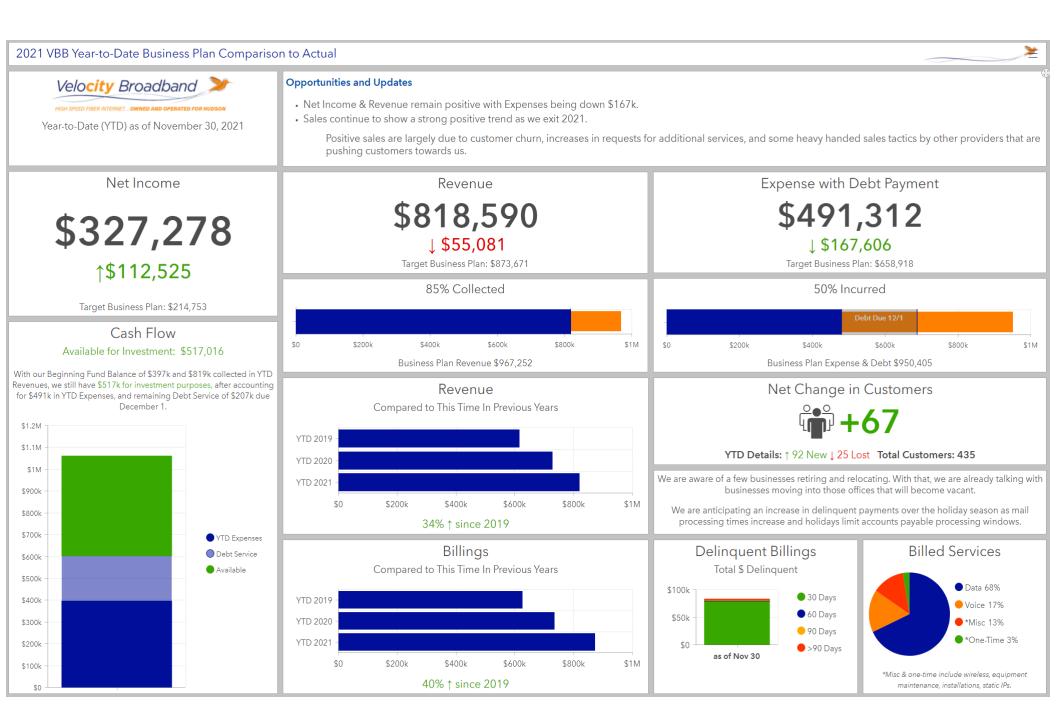

INCOME TAX REVENUE:

Income Tax revenues in the <u>General Fund only</u> are \$1,464,000 higher through November 2021 vs. November 2020 and \$2,025,000 above estimate. Through November 2021, Withholding taxes are up 8.2%, Individual taxes are up 6.4% and Net Profit taxes are up 37.0%. Including Parks, Fire, EMS and Hudson Schools, income taxes are up \$1,970,000 or 7.6%.

Due to COVID, in 2020 the April 15 tax filing deadline was extended until July 15 causing timing differences for Individual and Net Profit filing and payments. For 2021, the filing deadline was extended until May 17. Because of this, Individual and Net Profit receipts for 2021 as compared to 2020 were artificially higher through September - we are through the timing impacts. Withholding taxes up 8.2% due to general growth and some of the new employers starting up in 2021 (Etactics, Assurance Health). Net Profit is up 39% due to a few large payments. We would have had better year to date results however we had a \$589,000 employer net profit refund issued through the State of Ohio.
