Additional Options: NORMAL OPENING							Misc: Wood Insert Small Cap -, RBA Cleveland will remove existing wood window sashes to set the new window into the existing wood frame. This type of installation will typically result in a loss of glass area. A new interior stop may be required and will be provided by RBA Cleveland in an unfinished pine that will be the homeowners responsibility to paint or stain. On the exterior RBA Cleveland will finish the new window with color matched aluminum coil to marry back to existing wood window frame as minimal as possible.										Order Notes:
