ANTHONY J. BALES, CITY MANAGER

City of Hudson PROPOSED LEGISLATION

DATE: September 16, 2011

TO: City Council President Basil and Members of Council
Anthony J. Bales, City Manager

CC: William A. Currin, Mayor

FROM: Thomas E. King, Community Development Director

RE: A Resolution Authorizing the City Manager to Enter into a
License Agreement at 60 Village Way

11-104

MEETING: September 21, 2011

I. Legislative History

Resolution 04-183 authorized the City Manager to enter into license agreements for restaurant sidewalk seating following the opening of First and Main in 2004. Outdoor restaurant seating requires the approval of the Planning Commission. Sidewalk seating licenses have been approved for One Red Door, Caribou, Cold Stone Creamery, and San Francisco Oven.

II. Purpose & Explanation

The City has a request from Michael Schwartz and Stephen Ciciretto representing the ownership group of One Red Door. They are proposing alterations to expand patio seating at two locations: One Red Door and a new restaurant Lunedì in the former San Francisco Oven location. The Lunedì patio expansion was previously approved by Planning Commission and the number of seats is not increasing. Authorization is needed from Council to approve of a license agreement for the use of public property.

This request is from the same ownership group represented by Michael Schwartz and Stephen Ciciretto who are leasing the former San Francisco Oven to open Lunedì, a Neapolitan pizza and bakery restaurant. Expansion and reworking of the patio is proposed and the City would like to use this opportunity to address a maintenance problem with the strip of grass currently four feet wide between the Library Street sidewalk and on-street parking. Due to winter salt on the sidewalk and foot traffic, grass will not grow at this location. Staff has proposed the ownership group rework these pavement areas to maintain a six foot concrete

walk and an 18 inch paver strip. A portion of the existing patio and expanded patio to the rear is proposed on public property of the parking lot so a license agreement would be required to authorize private use of both the sidewalk area on Library Street and a portion of the parking lot property.

Attached to the License Agreement is the plan for the outdoor seating and the license area.

III. Recommended Action

Staff recommends that Council authorize the City Manager to enter into the attached license agreement to authorize improvements and adjacent public land for outdoor restaurant seating.

LICENSE AGREEMENT

This LICENSE AGREEMENT ("Agreement"), entered into this ____ day of _____, 2011, by and between the City of Hudson, an Ohio municipal corporation, (the "City"), whose mailing address is 27 East Main Street, Hudson, Ohio, 44236, and Sixty Village Way, LLC ("Tenant"), whose mailing address is _____, and Hudson Village Finance Company, LLC ("Owner"), whose mailing address is 2618 N. Moreland Boulevard, Cleveland, Ohio 44120 (hereinafter collectively Tenant and Owner are referred to as the "Licensee").

WITNESSETH:

WHEREAS, Tenant is an operator of a retail dining and beverage establishment at First & Main Commercial Area; and

WHEREAS, as used in this Agreement, the term "Licensee" shall also include the Owner of the premises upon which the Tenant occupies and operates its business, and the Owner is included as a party to this Agreement for enforcement and other purposes; and

WHEREAS, Licensee has requested permission from the City to place tables and chairs on that portion of sidewalk in the public right of way outside the retail dining and beverage establishment at 60 Village Way in the City in order to offer outdoor dining; and

WHEREAS, Licensee has filed a plan dated July 13, 2011, entailing considerable investment in new sidewalk, curbing, drainage, seating, and landscaping improvements; and

WHEREAS, the City has determined that it would be in the best interest of the City and its residents to enter into such an agreement with the Licensee to provide the aforesaid outdoor area for dining and beverage seating and service.

NOW, THEREFORE, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

1. Dining and Beverage Area License. In consideration of the covenants and agreements hereinafter set forth, City does hereby grant to Licensee a license for the use and occupancy of the real property located in the public right of way immediately adjacent to the building located at 60 Village Way, in Hudson, Ohio, for the purpose of providing space for outdoor seating for dining and beverage consumption for Licensee's retail dining and beverage establishment (the "Licensed Dining Area") as established by the plan approved by the City of Hudson (the "Outdoor Dining Plan"). The license for outdoor dining is supplemental to, and contingent upon, the operation of Licensee's retail dining establishment in the indoor premises located at the aforementioned address, and the outdoor dining shall not be allowed if the retail dining establishment ceases operation.
2. Area of Enclosure. Licensee shall configure the Licensed Dining Area to the specifications set forth in the Outdoor Dining Plan, which is attached to and made a part of this Agreement.

3. Term. The initial term of this Agreement shall be for a period of ten (10) years, commencing November 1, 2011 through November 1, 2021 (hereinafter, the "License Term"). This Agreement shall automatically renew for one (1)-year terms during subsequent years, unless the City terminates the Agreement upon at least sixty (60) days written notice to Licensee prior to the expiration of any given term, or pursuant to Paragraph 4 below, or if prior to the expiration of any of the one(1)-year terms, the City proposes amendments to this Agreement that are to be effective in subsequent terms of the Agreement.
4. Termination.
 - a. The City may terminate this Agreement at any time during the License Term, or any renewal term, for violation of the terms of this Agreement by giving Licensee twenty (20) days written notice. Any costs of repairs to the Licensed Dining Area upon such termination shall be at the sole expense of Licensee.
 - b. The City may suspend this Agreement upon twenty-four (24) hours notice to Licensee for good cause as being detrimental to the interests of the City and inconsistent with best restaurant practices, which may include but is not limited to: the sale of alcoholic beverages to minors or intoxicated persons (whether or not any criminal charges are ever brought or successfully prosecuted); failure to keep the tables, chairs, and surrounding area in a clean and neat condition; loud noise or other persistent misbehavior by patrons; impairment of pedestrian traffic; or the causing of a nuisance. The City shall give Licensee a reasonable time in which to correct the situation causing the suspension and may determine when the Licensed Dining Area may again be used. The City may terminate this Agreement for good cause as set forth in this subpart b upon twenty-four (24) hours notice to Licensee and after two previous suspensions and reinstatements of this Agreement pursuant to this subpart b.
 - c. The City may suspend this Agreement upon ninety (90) days prior written notice for maintenance or replacement of public infrastructure or road reconstruction, or suspend this Agreement immediately for a period to allow emergency repairs to restore service, avoid loss of service or address issues of public safety with utilities and appurtenances.
 - d. The City may terminate this Agreement upon one hundred eighty (180) days prior written notice for widening of public roadways or placement of utilities that the City determines in its discretion are incompatible with the purposes of the Licensed Dining Area.
5. Insurance. Licensee shall maintain and keep in full force throughout the term of this Agreement comprehensive general liability insurance against all claims for personal injury, death or property damage occurring on the Licensed Dining Area with minimum limits of liability of One Million Dollars (\$1,000,000.00) per person, Three Million Dollars (\$3,000,000.00) per occurrence and Five Hundred Thousand Dollars (\$500,000.00) for property damage. Licensee shall furnish certificates of insurance evidencing payment therefor to City prior to the commencement of the License Term and at such additional times as may be requested by the City. Such policies shall name the City as an additional insured and shall be non-cancelable for any cause without first giving the City fifteen (15) days prior written notice. Licensee may satisfy this insurance requirement

by maintaining such coverage under chain-wide umbrella policies, provided that the City is named as an additional insured.

6. Indemnification. Licensee shall indemnify, defend, keep and hold the City and its officers, agents, and employees free and harmless from liability for any and all damages, loss, or penalties of any kind whatsoever incurred as a result of Licensee's conduct or performance under this Agreement or exercise of the Agreement. These damages and penalties shall include, but shall not be limited to, damages arising out of personal injury, property damage, copyright infringement, defamation, antitrust, errors and omission, theft, fire, and all other damages arising out of Licensee's exercise of the Agreement, whether or not any act or omission complained of is authorized, allowed or prohibited by this Agreement; such indemnification shall include, but not be limited to, reasonable attorney's fees and costs.
7. Improvement and Equipment.
 - a. Licensee shall not make any temporary or permanent improvements to the Licensed Dining Area, including but limited to placing planters or ropes on the Licensed Dining Area, placing railings or fencing in the Licensed Dining Area, or blocking off sections of the Licensed Dining Area, without the prior written consent of the City.
 - b. Licensee shall obtain the approval of the City Engineer of construction plans and obtain a Right of Way Permit and Zoning Certificate from the Department of Community Development which together will authorize improvements shown on the plan dated July 13, 2011 and attached to this Agreement. All construction shall be completed as approved by July 1, 2012.
 - c. No planters or other objects of a permanent or temporary duration shall be placed on, or above, any area on the street side of the fenced enclosure of the License Area illustrated on said plans, EXCEPT for one temporary sign subject to removal by the City of Hudson for any concern of safety or inconvenience of pedestrian movement or sidewalk maintenance.
 - d. After the conclusion of the License Term, Licensee shall remove any improvements it has made to the Licensed Dining Area or items of personal property it has placed on the Licensed Dining Area and repair and restore any and all areas to their previous condition. The City may, however, consent in writing that an improvement may remain.
 - e. Licensee shall provide all fencing, tables, chairs, and other necessary equipment for use in the Licensed Dining Area which shall be approved by the City Community Development Department. Licensee shall limit the equipment to a reasonable amount and consistent with the Outdoor Dining Plan so as to ensure the safety of the public in the Licensed Dining Area.
8. Maintenance and Repair.
 - a. Licensee shall be responsible for cleaning and routine maintenance of the equipment in Licensed Dining Area, including but not limited to: ensuring that the Outdoor Dining Plan is followed by Licensee; cleaning the tables and chairs; maintaining the equipment in good and reasonable repair; and immediately replacing any and all broken, cracked, bent or otherwise defective equipment.
