SURVEYOR'S CERTIFICATION:

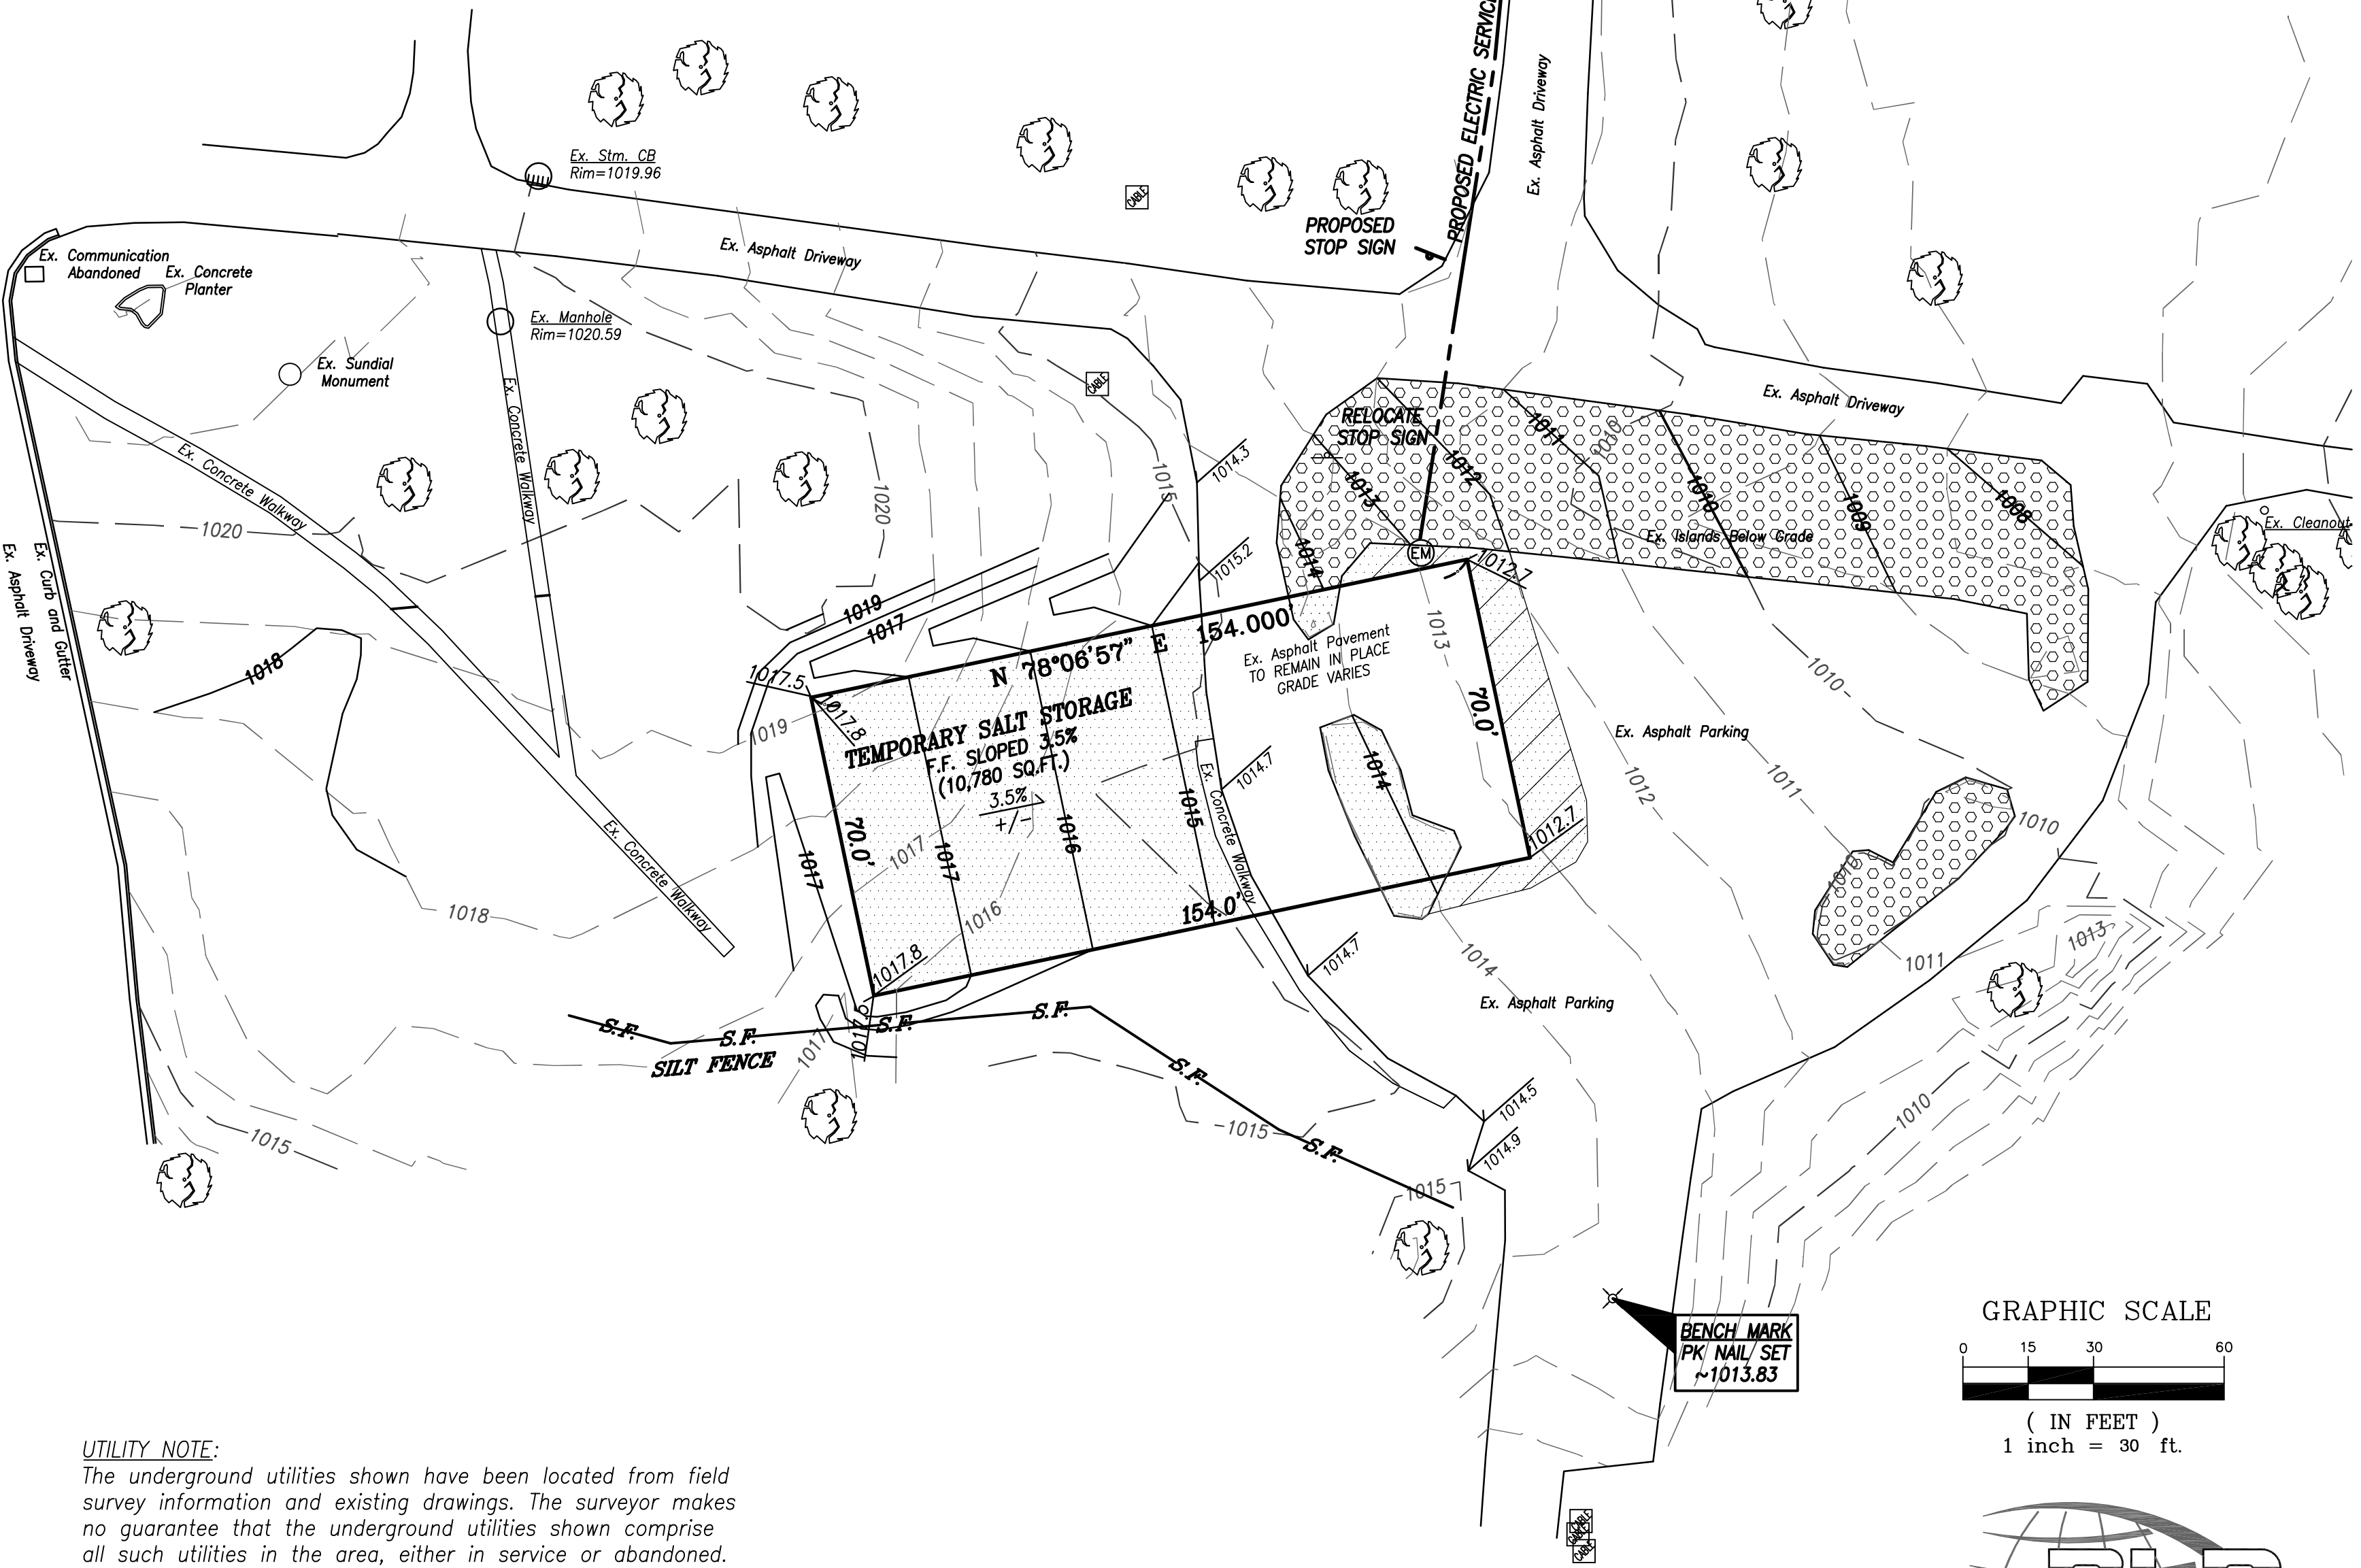

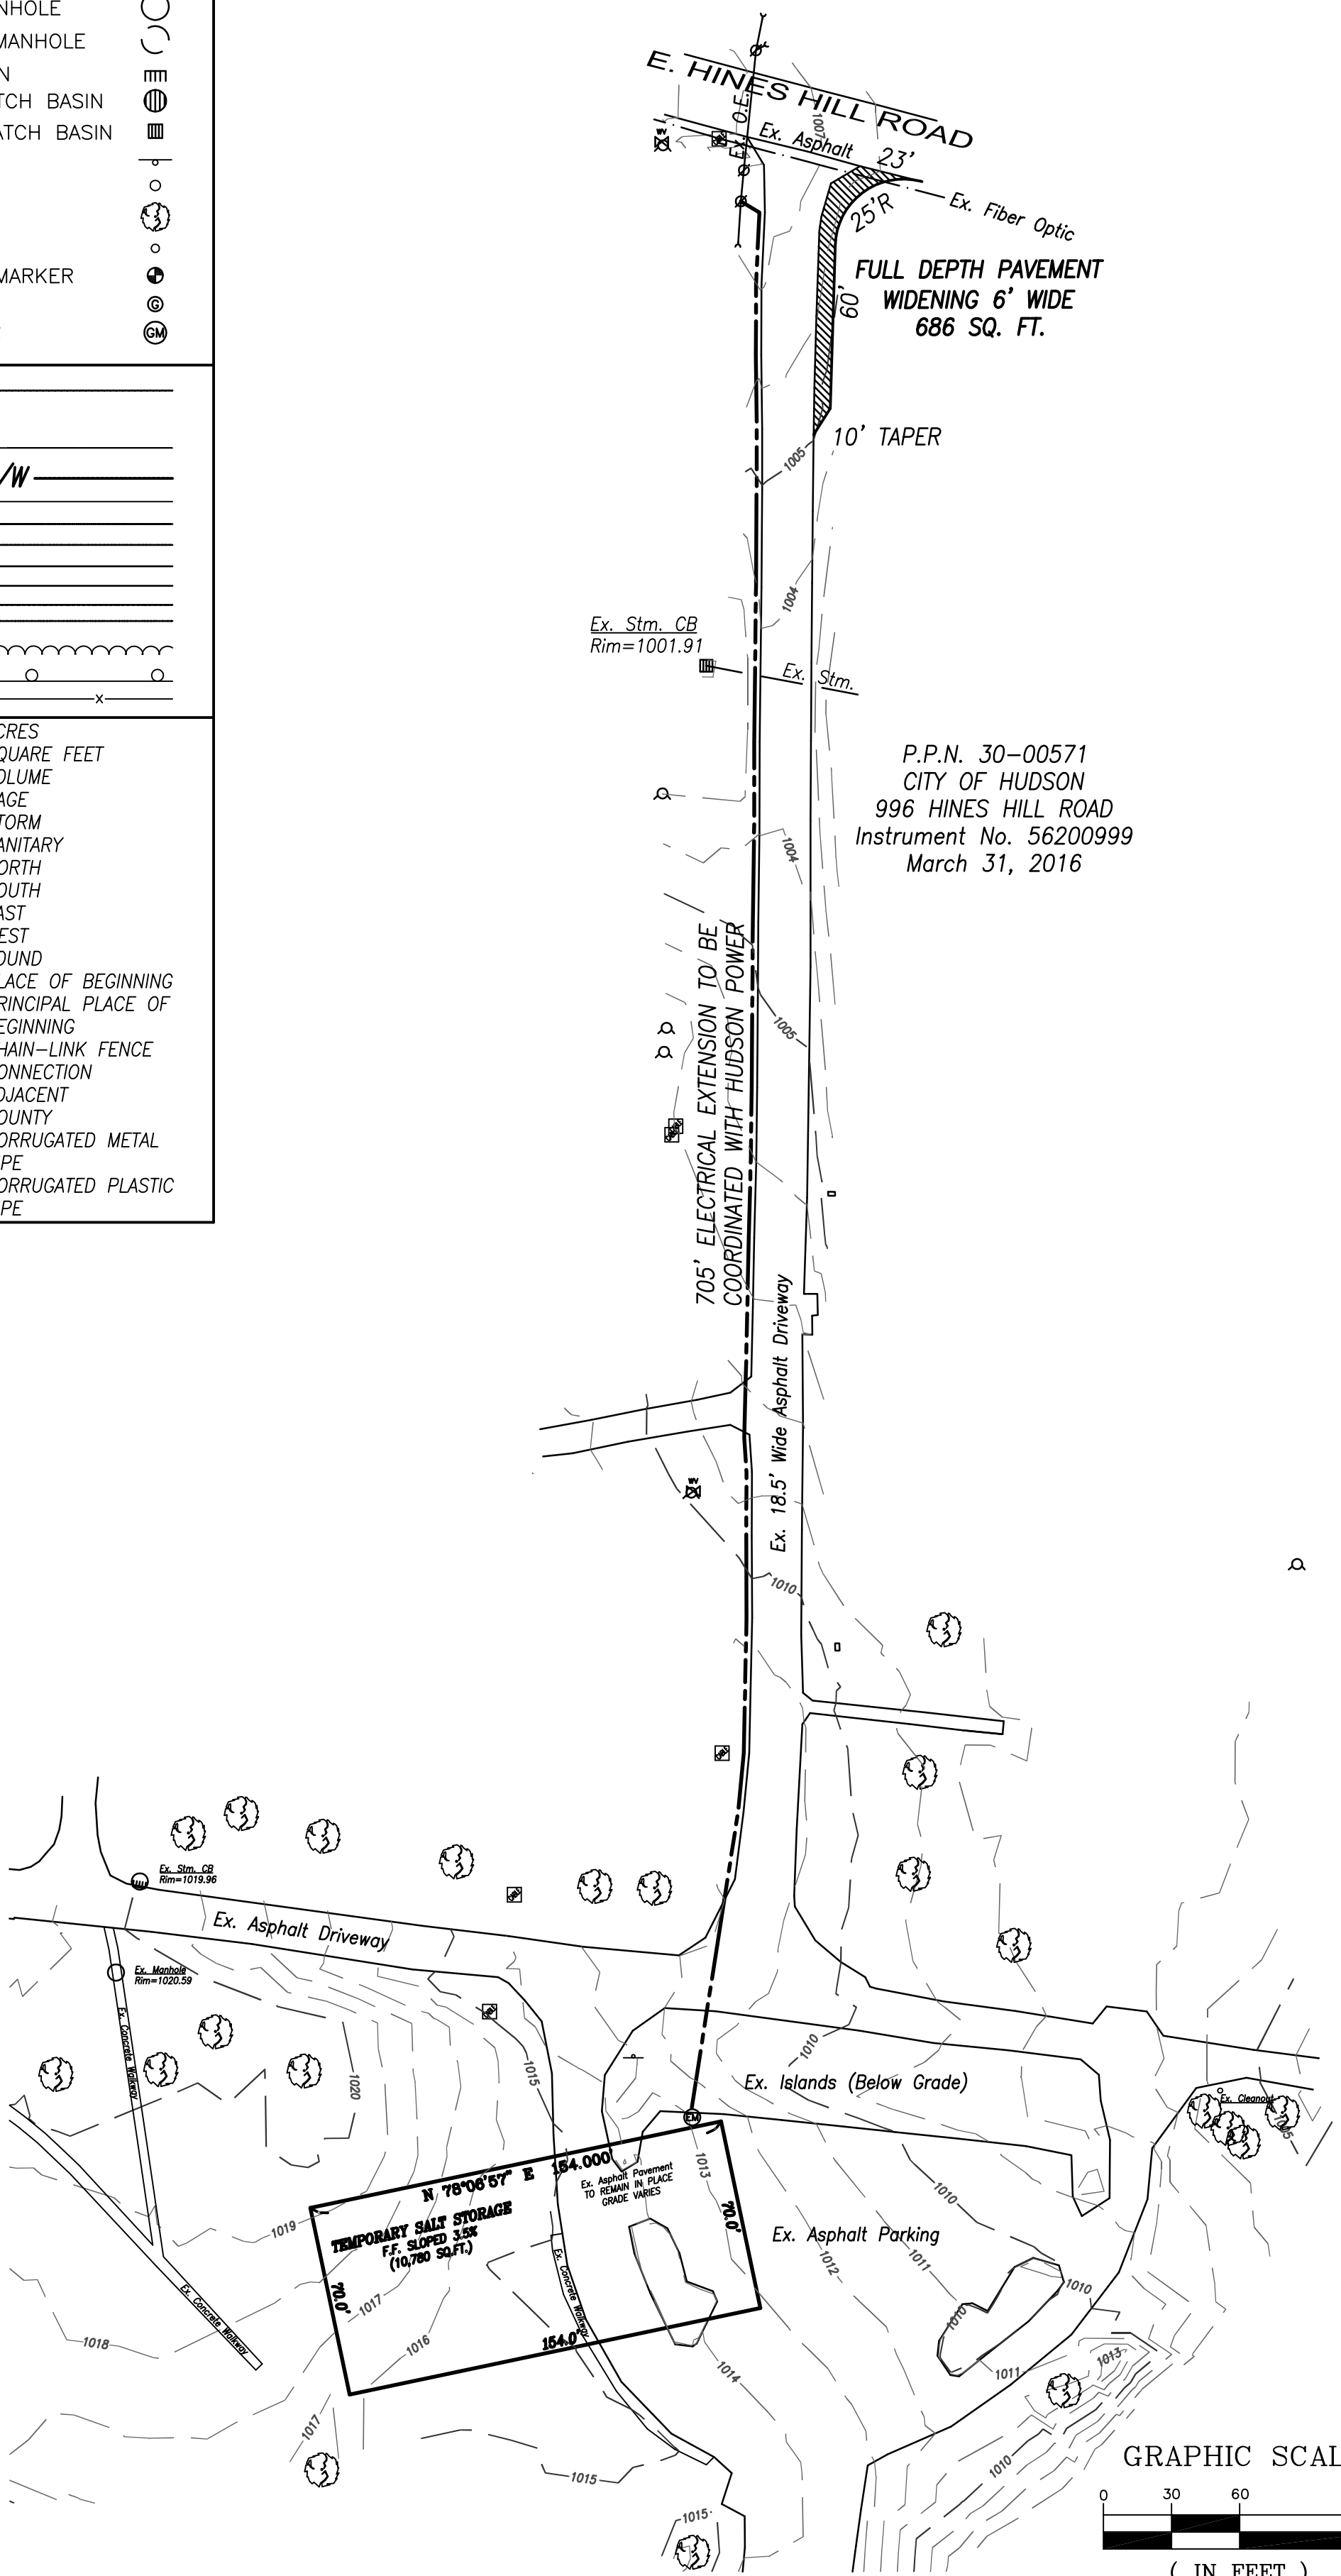

"I, the undersigned hereby state that this topography, indicated by 1' contours, and the elevations shown hereon represent an actual field survey made by B.L. Robinson Engineering & Surveying, Co. in May of 2018 and that the elevations were taken at appropriate intervals and that as of that date they existed as indicated hereon."

Bruce L. Robinson PE, PS 06/04/18

DOCUMENTS USED IN PREPARING SURVEY:

- REFERENCED DEEDS

UTILITY NOTE:
The underground utilities shown have been located from field survey information and existing drawings. The surveyor makes no guarantee that the underground utilities shown comprise all such utilities in the area, either in service or abandoned. The surveyor further does not warrant that the underground utilities shown are in the exact location indicated although he does certify that they are located as accurately as possible from information available. The surveyor has not physically located the underground utilities.
