Approved Sign Plan

Proposed sign plan for **Evaporator Works Complex, 46 Ravenna Street:**

Per the requirements of the Architectural Design Standards, the intent of future signage will be to incorporate the following:

1. Signs will be constructed of _____

2. Signs will be rectangular in shape. (see attachment)

3. Signs will contain a border. of either a painted stripe or applied trim.

3/4" thick (mdo) medium density overlay plywood.

Confirmation of the above sign plan:

Allen M. Sveda
