**Subject:** RE: Fire Cot Legislation Update

Final numbers for identical power cot and power load systems

Item Desc.	Our estimate	STS Pricing
Power Cot	\$20,628.82	\$21,708.70
Power Load	\$25,088.78	\$26,255.70
Mass Cass Kit	\$592.54	\$620.10
Total Price	\$46,310.14	\$48,584.50

**Savings with Stryker estimate = \$2,274.36**

Install/Labor, parts and shop supply stays the same

If it is possible to keep this on for tonight that would be preferred due to time constraint for accepting & using the grant funding.
