**Re:** **Additional Funding for 2018 Asphalt Program**

During the Council Workshop meeting on July 24, 2018, Council discussed the possibility of increasing the 2018 Annual Paving program budget by approximately \$400,000 - \$500,000.

The contract for the 2018 Asphalt Resurfacing Program includes a list of alternate streets to be milled & resurfaced. The list of streets and cost to resurface with the current contract prices is as follows:

<u>Street Name</u>	<u>From</u>	<u>To</u>	<u>Est. Cost</u>

These streets could be immediately incorporated into this year's program, without the need to go out to re-bid, and resurfaced by winter, 2018. Any additional funding available could be used for Public Work's asphalt road patching program. If you have any questions, please contact me at 330-342-1197.
