RE: SEVEN-FIFTY ML, LLC

To Whom It May Concern:

This letter is to inform you that it is the recommendation of Council for the City of Hudson that the above referred to project should be designated as an economic development project as the term is used in Section 4303.29(B)3(b) of the Ohio Revised Code. City Council believes that this business will be a beneficial addition to our community and assist in the economic development of our area by bringing a number of new jobs to the area as well as increasing the City's tax base. Council therefore encourages the Department of Liquor Control to approve the application for the transfer of a liquor license to be filed by Seven-Fifty ML, LLC for this project.

Respectfully,
