Re: Renewal Application for Placement of Farmland in an Agricultural District

The Community Development Department has reviewed the application of Leonore E. Cosma for the designation of 14.23 acres of land for agriculture use for tax purposes (O.R.C. 929.02). This land is located at 2242 Ravenna Street. The properties consist of home, barn, horses and agricultural uses of animal husbandry. The existing uses appear to be consistent with the intent of the Ohio Revised Code. I visually inspected the property and found the above agricultural uses are consistent with application being submitted to Summit County Auditor.
