Alteration (replace installed vinyl clad windows at the front elevation and north side elevation with Andersen Woodwright windows)

Submitted by David Moore Builders LLC - Historic District

The Historic District Subcommittee reviewed the application. Mr. David Moore, the contractor, was present for the meeting. The setback of the windows from the trim was discussed. The Historic District Subcommittee recognized that the newly proposed window is more appropriate than what was installed. Mr. Drummond stated that all windows on the historic portion of the house should also be replaced with the newly proposed windows, in addition to the front elevation. The subcommittee requested the four windows on the north side elevation also be replaced with the proposed Andersen Woodwright windows. Mr. Moore indicated that he could not add the additional four windows at this meeting and withdrew the application to a future meeting.
