Chief Robbins –

The 2017 City of Hudson Budget provides for the replacement of three police vehicles.

In accordance with our replacement schedule and based upon the current mileage, age, and overall condition, I recommend replacing marked cruisers # 1 & # 7 along with unmarked car # 12 (2013 Chevrolet Tahoe, 2014 Ford NGPI-Utility, 2004 Dodge Stratus - Fleet ID's 1167, 1168, & 1142) with new models of like vehicles.

For the marked cruisers, Ohio State Contract number RS900917 (*New, Model Year 2017 or Manufacturers's Current Production Model - Law Enforcement Vehicles* - effective through 09/30/2017) awarded dealers Byers Chevrolet and Lebanon Ford the contracts to supply the State of Ohio and political subdivisions with Chevrolet Tahoe and Ford NGPI-Utility vehicles, respectively. The Ohio STS pricing was again lower this year than other cooperative purchasing programs for these law enforcement specific vehicles.

Pricing for a 2017 Ford Fusion to replace the 2004 Dodge was less expensive under the Ohio C.U.E. program than Ohio STS pricing (Ohio STS # 900817).

Historically, local dealers have cited not being able to compete with the Ohio State Term contract pricing and decline the opportunity to provide a quotation. However, local dealers were again consulted and confirmed those pricing programs to be lower than their cost.

I recommend to you and City Council that legislation be passed authorizing purchase orders be issued to the following vendors for our 2017 replacement police vehicles:

Byers Chevrolet – \$34,950
Lebanon Ford – \$26,670
Montrose Ford – \$17,953.29

Respectfully submitted,

Sergeant Dan Thompson #183
