Re: Request for Continuation of an Agricultural District application

The Community Development Department has reviewed the application of Warren and Darlyne Roller for the designation of 9.27 acres of land for agriculture use for tax purposes (O.R.C. 929.02). These properties are located at 696 Terex Road. And consist of two parcels (3002446 and 3002445) and both have the same mailing address of 696 Terex Road. The properties consist of a house, a barn and agricultural uses of pasture and farm animals. The existing uses appear to be consistent with the intent of the Ohio Revised Code. I visually inspected the properties and found the above agricultural uses are consistent with the application being submitted to Summit County Auditor.

Following parcels were submitted:

3002446 --- 5.00 acres (Per Summit County Assessor's Site)
3002445 --- 4.27 acres (Per Summit County Assessor's Site)

Total --- 9.27
