To whom it may concern:

Please see the attached forms to request my property at 7005 Walters Rd in Hudson be placed in an Agricultural District. The property meets the 10 acre requirement. My family has engaged in apiculture at that property for the past four years and we intend to continue that in future years. Additionally, my son who resides at that property is raising livestock and poultry and intends to sell eggs and livestock in future years.

I am attaching the "Application for Placement of Farmland in an Agricultural District". I am also sending a copy to the office of the Summit County Fiscal Officer along with an "Initial Application for the Valuation of Land at its Current Agricultural Use".

Please feel free to contact me by e-mail or phone if you need additional information.

Sincerely,

John Roman
